

Delegated Powers Report 1328 – 19 May 2011	
Agenda Item 10	
Report	Report of the Cabinet Member for Adults – Fairer Contributions Policy
Called in by	Councillor Barry Rawlings
Recommendation, Reason and Objective	<p>Decision:-</p> <p>The implementation of the Fairer Contributions Policy, as detailed in Appendix 1 of Delegated Powers Report 1328.</p> <p>Reason:-</p> <p>To ask questions about the financial assessment process, in particular, whether all clients receiving care have been contacted to ascertain if they need support to help complete the financial assessment form – this is in the light of residents complaining to councillors that a letter had been sent out directly to clients with a deadline to reply within two weeks. To ask whether the Cabinet Member has given due regard to the equalities issues arising from the assessment procedure, particularly for those clients suffering from dementia.</p> <p>Objective:-</p> <p>To refer back to the Cabinet Member to extend the deadlines for receipt of completed assessment forms to ensure that vulnerable residents are protected and have had support to complete the form.</p>
