

Council Meeting
31 January 2006

REPORT OF THE DEMOCRATIC SERVICES MANAGER

Agenda item 15.2

1. VACANCIES ON SCHOOL GOVERNING BODIES

Appendix A lists (in bold) all current vacancies now needing to be filled in the Council's representation on school governing bodies. There are a number of other vacancies on governing bodies which are due to reconstitute over the course of the next year. However, as this may lead to a reduction in the number of LEA governors on those bodies, it is not proposed to fill those vacancies until the position at each school is clarified. The table below gives numbers for all LEA governors, including those vacancies which are not presently being filled.

In order to reflect the political balance of the Council, the political balance on school governing bodies (as at 9 January 2006) should be: -

Conservative	141
Labour	109
Liberal Democrat	32
Total	282

The current balance on school governing bodies is: -

Conservative	148
Labour	92
Liberal Democrat	21
Vacancies	21
Total	282

All persons appointed will hold office for four years from the date of appointment or until the governing body has been reconstituted under the School Governance (Constitution) (England) Regulations 2003 if this has not already occurred.

The Group Secretaries have been advised of the vacancies.

RECOMMENDATION: That the Council make appointments to fill the vacancies reported.

2. VACANCIES ARISING FROM RECONSTITUTION OF SCHOOL GOVERNING BODIES

Under the School Governance (Constitution) (England) Regulations 2003 the governing bodies of all schools in England must re-constitute themselves by 31 August 2006. The term of appointment of any governor appointed after 1 September 2003 finishes when the governing body reconstitutes and those governors may be reappointed. Appendix B lists (in bold) vacancies due to arise in the near future in the Council's representation on school governing bodies as a result of the Regulations.

All persons appointed will hold office for four years from the date of reconstitution.

The Group Secretaries have been advised of the vacancies.

RECOMMENDATION: That the Council make appointments to fill the vacancies reported.

3. REPRESENTATION OF THE COUNCIL ON OUTSIDE BODIES

Appendix C lists in bold the vacancies in the Council's representation on Outside Bodies.

The Group Secretaries have been advised of the vacancies.

RECOMMENDATION: That the Council make appointments to fill the vacancies reported.

4. AMENDMENTS TO ITEMS ON THE AGENDA:

(i) Agenda Item 8.3 – Motion in the name of Councillor Paul Rogers:
Amendment in the name of Councillor Anita Campbell:
"Add at end:

"Council opposes the closure of Barnet Hill Primary School in Hammond Close.

Council notes that the regeneration of the Dollis Valley estate will increase the number of homes and thereby add to the demand for local school places.

Although Council supports the proposed rebuild of Whitings Hill Primary School, Council is concerned that parents and children from Barnet Hill, which is an improving school, will have to walk much further to school or take the car and further add to the school run.

Council urges the Cabinet to:

- consult Barnet Hill Primary School parents and local residents on the closure, and re-consider its closure plans,
- inform residents and parents in Underhill ward about the likely consequences of the closure of Barnet Hill School on catchment areas

for Underhill Primary School, Whittings Hill Primary School and Grasvenor Avenue Infant School

- explain how it plans to “remodel” Grasvenor Avenue School.””

Councillor Anita Campbell has requested, under Part 4 of the Council’s Constitution, Section 1, 31.5, that if the item is not dealt with by the end of the meeting, it be voted upon at the council meeting.

(ii) Agenda item 8.4 – Motion in the name of Councillor Jim Tierney:

Amendment in the name of Councillor Anita Campbell:

“Add at end:

“Council believes that the infrastructure of education, healthcare, transport and other community facilities for current and future residents on the four housing estate regeneration projects at Dollis Valley, Grahame Park, Stonegrove/Spur Road and West Hendon needs to be in place as soon as possible to ensure the estate regeneration projects are as successful as possible.

Council congratulates the residents of the Dollis Valley estate, including the Dollis Valley Regeneration Association, who have worked extremely hard over the past four years to encourage the Council to make progress. Council regrets the further delays to the regeneration of the estate, and Council urges the Cabinet to consult Dollis Valley estate residents during February and March 2006 on the proposed Masterplan.””

Councillor Anita Campbell has requested, under Part 4 of the Council’s Constitution, Section 1, 31.5, that if the item is not dealt with by the end of the meeting, it be voted upon at the council meeting.

(iii) Agenda Item 9.2 – Opposition Policy Item:

(a) Amendment in the name of Councillor Steve Blomer:

“Add at end:

“Council notes the complaints from shopkeepers and residents about the continuing problems of anti-social behaviour, including graffiti, by young people hanging around outside the shops in Deansbrook Road in Hale ward. Council calls on the Cabinet to outline proposals to combat these problems, including the provision of youth facilities in the neighbourhood to divert the young people from becoming involved in trouble.””

Councillor Steve Blomer has requested, under Part 4 of the Council’s Constitution, Section 1, 31.5, that if the item is not dealt with by the end of the meeting, it be voted upon at the council meeting.

(b) Amendment in the name of Councillor Anita Campbell

“Add at end:

“Council welcomes the Government’s Respect Action Plan published on 10 January that will help tackle anti-social behaviour in Barnet, including Underhill ward, by ensuring the rights of victims and residents take precedence over those committing anti-social behaviour acts.

Council recognises that there are serious problems of anti-social behaviour and a lack of youth services on the Dollis Valley estate. Council urges the Cabinet to bring forward proposals for a new youth facility and dedicated youth worker for the Dollis Valley estate and surrounding neighbourhood.

Council supports the proposal from residents for a skatepark in Oakhill Park that would be funded by non-council sources. Council therefore urges the Cabinet to successfully complete negotiations with the residents to establish the skatepark for local young people as soon as possible.”

Councillor Anita Campbell has requested, under Part 4 of the Council's Constitution, Section 1, 31.5, that if the item is not dealt with by the end of the meeting, it be voted upon at the council meeting.

5. LEADER'S SCHEME OF DELEGATION

In accordance with Constitutional requirements, changes made by the Leader of the Council are reported to Council.

The Leader has advised me that he has made various changes to Cabinet portfolios. The revised portfolios are attached as Appendix D to this item. The Leader has further advised me that he will be Chairing the Cabinet Equalities and Social Inclusion Committee.

The relevant changes will be made to the Council's Constitution – Part 3, Responsibility for Functions.

6. TRANSPORT FOR LONDON BILL (CI. 20/12/05 – 122)

The Council on 20 December, 2005, resolved as follows:

“Council notes that Transport for London have deposited a Private Bill in Parliament which aims to confer further powers upon TfL in a range of transport related matters.

Council is aware that Transport for London inherited several road schemes from the Secretary of State when trunk roads in London were transferred to the Greater London Authority and arrangements were made for the continuity of scheme orders made by the Secretary of State.

Council notes that such orders were made for improvements to the North Circular Road at Henlys Corner and Golders Green Road, following lengthy public consultation and examination of the proposals at public inquiries. The Council and other stakeholders invested significant effort in the consultation process and public inquiries to ensure that Barnet residents and road users were protected and gained maximum benefit from the schemes.

Council is aware Transport for London have been unable to secure funding for the inherited schemes on the North Circular Road, but have confirmed the need for major improvements to reduce congestion, pollution, delays to road users and to improve safety. TfL have been unable to produce alternative proposals to resolve the current problems and to ensure that additional traffic resulting from the growth in North London, as predicted in the London Plan, will be accommodated on the North Circular Road rather than diverting onto borough roads.

Council notes that the draft Bill contains a clause which allows Transport for London to revoke orders made by the Secretary of State, but does not specify the process required to do so. Council also notes that orders made by the Secretary of State normally can only be revoked following consultation and if unresolved objections to the revocation are received, a public inquiry must be held.

Council believes the Bill may allow Transport for London to revoke the orders without consultation or public inquiry and this could deny the Council, residents, road users and other interested parties, the opportunity to have their views heard and considered.

Council also believes that when funding for the major schemes becomes available, the need to remake scheme orders would add to the delay and cost of finally resolving the problems with the unimproved sections of the North Circular Road.

Council notes that other clauses in the Bill may have an adverse effect on the Council or the Borough's residents.

Council resolves that-

1) The Chief Executive be instructed to take all necessary steps to oppose those clauses in the Transport for London Bill which, if enacted, would have an adverse effect on the borough or be against the interests of the Council or the Borough's residents.

2) The Chief Executive be asked to write to the Members of Parliament for the borough explaining the Council's position and seeking their support."

One of the necessary steps involves the Council passing a resolution in a manner prescribed by statute, following the publication of the Council's intention to make such a Resolution.

The Council's intention was publicised during the week commencing 16 January, 2006. Once the necessary Resolution has been passed, the Council will be able to lodge a petition in the House of Lords opposing the Bill. This must be done by 6 February, 2006.

The Council are now asked to pass the necessary resolution.

RECOMMENDATION -

(1) That in order to protect the interests of the inhabitants of the Borough the Council do oppose the Transport for London Bill which is being promoted in the present session of Parliament.

(2) That the Borough Solicitor be authorised to take all such steps and do and perform all such acts on behalf of the Council as he may consider necessary or expedient in relation to such opposition, including the affixing of the Common Seal to any Petition or other document, and the instructing of Counsel, Agents and witnesses.
