Council celebrates the outstanding achievements of Team GB at the Beijing Olympics, including the Bronze medal in the 400m Hurdles Final achieved by Natasha Danvers of the Shaftesbury Barnet Harriers.

Council asks the Leader of the London Borough of Barnet to write to all Team GB members making clear that the Barnet administration does not share Brian Coleman's views about Olympic athletes as written in his local newspaper column, and that Council congratulates them for representing our local community, London and Great Britain so well on the international stage.

Council believes that in view of Cllr Coleman's comments his position as Cabinet Member for Crime and Community Engagement is untenable, and asks Council Leader Mike Freer to remove him from Cabinet.
