Council notes the London Housing Strategy, and welcomes the Mayor of London's indicative target that Barnet should build 3,369 new affordable homes over the next 3 years.

Council calls on Cabinet to work with the Mayor of London to deliver these new affordable homes, within the timescale, to our residents, many of whom are in dire need of good affordable housing.

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the council meeting.
