**19. REPORTS EXEMPT FROM CALL-IN (Agenda Item 13.3.4 & 13.3.6 - Report and Supplemental of the Democratic Services Manager)**

These matters were reported to the Council to meet Constitutional requirements.

In the cases listed below, the Chairman of the Cabinet Overview and Scrutiny Committee agreed that the decisions proposed were reasonable in all the circumstances, were urgent and therefore had consented to the proposed decisions being exempted from call-in:

1. The Leader of the Council approved on the 7 April 2009 a waiver of the Contract Procedure Rules to allow the appointment of Laing and Busson as expert witness in the arbitration between the Council and Catalyst. The next meeting of the Cabinet Overview and Scrutiny Committee is not until 29 April, and if called in, the action proposed could not be implemented until then. This delay would seriously prejudice the Council's and public's interest because the Council is in the middle of a disclosure period within the arbitration process. This period ends on 1 May 2009 and Laing and Buisson advice is needed before this period expires.
2. Cabinet on the 22 April 2009 approved the report of the Cabinet Member for Health, "Health Care for London – Consultation on new Stroke and Major Trauma." Cabinet agreed that the Leader write to all households in Barnet alerting them to this consultation and the concerns of the Council. Exemption was on the grounds of the proximity of both the purdah period and the deadline for responses on the consultation on 8 May.
3. The Leader of the Council approved on the 7 May 2009 the Readiness to Deliver submission to proceed in the Government's Building School for the Future capital investment programme. The submission was required to be made by Friday 8 May, which would clearly not be possible were this decision called in.
4. A request has been made by a Council Member for an indemnity for legal costs associated with a Standards Committee investigation. The investigation is currently being progressed and the Council Member requires representation urgently.

**20. LICENSING PANEL – 20 MAY 2009**

A Licensing panel comprising Councillors Joanna Tambourides, Kath McGuirk and Mukesh Depala is arranged for 20 May 2009 under the previous arrangements.

**RESOLVED – that the membership of the Licensing Panel called for 20 May 2009 of Councillors Joanna Tambourides, Kath McGuirk and Mukesh Depala be confirmed.**

**21. PROPOSED TERMS OF REFERENCE FOR PROPOSED INDEPENDENT EXTERNAL REVIEW INTO THE ADOPTION/APPLICATION OF THE COUNCIL'S TREASURY MANAGEMENT STRATEGY WITH PARTICULAR REGARD TO DEPOSITS PLACED WITH ICELANDIC BANKS (Agenda Item 13.3.7 – Supplemental Report of the Democratic Services Manager)**

Councillor Freer moved reception and recommendation of the terms of reference. An amendment in the name of Councillor Alan Schneiderman was moved. Debate ensued. Upon being put to the vote the amendment in the name of Councillor Alan Schneiderman was declared lost.

Upon being put to the vote, the recommendations were declared carried.

**RESOLVED –**

1. **That the proposed terms of reference for proposed independent external review into the adoption/application of the Council's treasury management strategy with particular regard to deposits placed with Icelandic banks be approved**
2. **The independent external review body will be appointed by and responsible for reporting back to an Ad Hoc Scrutiny Committee to be appointed by Council comprising ten councillors. The Committee's report is to be presented to the Council Meeting on 14 July 2009.**

Upon nominations in the names of Councillors Joan Scannell, Barry Rawlings and Susette Palmer, it was

**RESOLVED – That the following Councillors be appointed to the Ad Hoc Scrutiny Committee;**

**Tom Davey, Brian Gordon, Anthony Finn, Andreas Tambourides, Joanna Tambourides, Daniel Webb, Kath McGuirk, Alan Schneiderman and Monroe Palmer**

**Substitutes;**

**Geof Cooke, Claire Farrier, Wayne Casey and Susette Palmer**

**22. REVISED CALENDAR OF OVERVIEW & SCRUTINY COMMITTEE MEETINGS – 2009/10 (Agenda Item 13.3.12 – Further Supplemental Report of the Democratic Services Officer)**

**RESOLVED – that the revised calendar of the Overview and Scrutiny Committee be incorporated into the main Calendar of Council Meetings 2009-10**

**23. NEW SCRUTINY ARRANGEMENTS – SPECIAL RESPONSIBILITY ALLOWANCES (Agenda Item 13.3.13 – Further Supplemental Report of the Democratic Services Manager)**

The Independent Review Panel on Members' Allowances is considering the allocation of Special Responsibility Allowances to reflect the proposed new Scrutiny arrangements. Due to the absence of key panel members abroad they have not concluded their considerations, but the proposal they have under review is as follows:

- Chairmen of Policy and Performance, Budget and Performance and Health Overview and Scrutiny Committees and the Business Management Sub-Committee – Scale 3 , currently £9974
- Chairman of Adult Social Care and Children's Services Sub-Committees Scale 4 currently £5,984.
- Vice-Chairmen of all the above bodies – Scale 5, currently £2493.50

**RESOLVED – that, subject to the agreement the Independent Review Panel, the Scheme of Members' Allowances be amended as above.**

### REPORT OF THE CHIEF EXECUTIVE

Agenda item 1.6

YAWITCH, Darrel	Conservative	2953 - Elected
OR-BACH, Alon	Labour	1036
DAVIES, Jonathan Maurice	Liberal Democrats	688

**Darrell YAWITCH** was therefore duly elected as Councillor for the Edgware Ward.

##### Totteridge Ward

Candidate	Party	Results
CORNELIUS, Alison	Conservative	2837 - Elected
STERN, Jonty	Liberal Democrats	792
ROBERTS, Tim	Labour	699

**Alison CORNELIUS** was therefore duly elected as Councillor for the Totteridge Ward.

Nick Walkley  
Chief Executive

**Council, 14 July 2009**

**Motion in the name of Councillor Geof Cooke**

**Councillors' allowances**

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the council meeting.

Council notes the damage that has been caused to the political system by the parliamentary expenses saga in this country.

Council believes that Local Authority Councillors should not decide their own remuneration, and therefore Council asks Cabinet to lobby government for a change in the law so that Council must accept the recommendations of the Independent Review Panel on Members' Allowances (IRP).

Council also resolves that the IRP should be convened as soon as possible to consider a cap on overall councillors' allowances in Barnet, including the re-introduction of the cap on individuals claiming multiple Special Responsibility Allowances.

**Council, 14 July 2009**

**Motion in the name of Councillor Monroe Palmer**

**Alcohol Free Zones**

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the council meeting.

Council notes the increase in street drinkers, in particular in and around Cricklewood and Golders Green Town Centres. Council further notes the concerns of local residents confronted by this anti social behaviour. Council also notes that a public meeting of residents, held on 17<sup>th</sup> June in Cricklewood called upon Barnet Council to follow the leads of Brent and Camden in designating the whole Borough as a street drinkers alcohol free zone

Council therefore requests the Cabinet to extend the 'no street drinking alcohol zones' to cover Golders Green and Cricklewood Town Centres and to also consider making the whole Borough an alcohol free zone as far as street drinking is concerned

**Council, 14 July 2009**

**Motion in the name of Councillor Fiona Bulmer**

**Attacks on faith schools**

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.

Council notes that our faith schools sadly remain vulnerable to attacks motivated by racial hatred. Council believes that our Borough's schools are particularly at risk from anti-Semitic attacks.

Council believes that is unfair that parents have been forced to pay for private security in order to protect faith schools. Council believes that the delegated schools budget should be increased to cover the costs of securing the safety of the Borough's faith schools.

Council calls upon the Chief Executive to write to the Secretary of State to request an increase in the delegated schools budget to meet the cost of securing the Borough's faith schools.

**Council, 14 July 2009**

**Motion in the name of Councillor Robert Rams**

**Burnt Oak Library**

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.

Council welcomes the complete redevelopment of Burnt Oak Library which has expanded the services available on the site and enabled the Library to become a community hub. In addition to being a lending and reference library the site now has a customer service centre, allowing residents to speak to experienced staff and seek help from the Citizens Advice Bureau.

Council notes that the new additional services at Burnt Oak Library allows residents in this economically deprived area access to council services without the inconvenience of travelling to Barnet House.

Council believes that the refurbished Library represents the new and better way that public sector bodies are able to work together in order to provide better services to residents at reduced cost.

Council requests that Cabinet examine the success of Burnt Oak Library to assess what lessons can be extrapolated for use across council services.

**Council, 14 July 2009**

**Motion in the name of Councillor Richard Cornelius**

**Sheltered Housing**

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.

Council notes that Cabinet has agreed to reform the allocation of assistance to vulnerable older people following an extensive consultation and review of the previous outmoded system.

Council notes that allocation of the service will in future be based on need, as opposed to tenure, expanding assistance to a greater number of older people in the Borough, targeting resources at service users and clearly defining the roles of those involved in providing care to our older residents.

Council notes that a similar shift away from tenure to need has been made by local authorities across England and has been supported by the Essential Role of Sheltered Housing (ERoSH) charity.

Council requests Cabinet to ensure that the new policy is introduced compassionately and that residents are regularly kept informed.

**Council, 14 July 2009**

**Motion in the name of Councillor Richard Cornelius**

**Housing Revenue Account**

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.

Council welcomes the announcement by the Minister of Housing that the Housing Revenue Account subsidy system is to be dismantled and replaced by a devolved system of responsibility and function.

Council congratulates the Minister for listening to the demands of Barnet and other London Boroughs.

Council requests Cabinet consider the reformed system when assessing the Housing Strategy Review.

Council calls on the Chief Executive to write to the Minister of Housing urging him to implement a fully self-financing locally devolved system in the shortest possible timetable.

**Council, 14 July 2009**

**Administration Policy Item:** Councillor Matthew Offord

Council notes that the number of residents claiming unemployment benefit in Barnet has risen by 81% from May 2008 to May 2009. In the same period the number of claimants under 24 has risen 52%. This is the highest level of unemployment claimants the London Borough of Barnet has had since 1997.

Council believes that long-term and youth unemployment damages the social fabric of our Borough and that all public sector bodies have a duty to work towards eradicating it.

Accordingly, Council requests Cabinet:

- 1) Work closely with the Connexions service to ensure they are focused on getting young people back into work
- 2) Ensure that the Borough's population is aware of the Mayor of London's scheme which enables those in receipt of Job Seekers Allowance (JSA) or the new Employment and Support Allowance (ESA) half-price bus travel in London
- 3) Explore ways of seeking the assistance of voluntary and third sector in order to form a partnership tackling youth and long-term unemployment

**Council, 14 July 2009**

**Opposition Policy Item:** Councillor Jim Tierney

**Review of 'The London Plan'**

The Mayor of London is due to review the London Plan this year which will impact on important local issues such as housing, transport, environment, economic development, etc.

Council believes all Councillors should have an opportunity to debate Boris Johnson's initial proposals as set out in "A new plan for London", and to contribute to the council's response to the draft London Plan when published later on this year.

Council therefore asks the Business Management Overview & Scrutiny Sub-Committee to:

- establish a scrutiny task and finish group to assist Cabinet in preparing its response to the formal consultation on the draft London Plan in the autumn and
- consider Council's views on the initial proposals document as part of that process.

**Council Meeting**  
**14 July 2009**

REPORT OF THE DEMOCRATIC SERVICES MANAGER  
AGENDA ITEM 5.3.1

**1. REPORTS EXEMPTED FROM THE CALL-IN PROCESS BECAUSE THEY ARE URGENT:**

These matters are reported to the Council to meet Constitutional requirements. No action is required by the Council and the decision has been implemented.

In the cases listed below, the Chairman of the Cabinet Overview and Scrutiny Committee agreed that the decisions proposed were reasonable in all the circumstances, were urgent and therefore had consented to the proposed decisions being exempted from call-in:

- (i) The Council was awarded £6.512m to create a new 'community hub' in Brunswick Park, in partnership with the PCT. The Leader of the Council on the 10 June approved authority to accept the grant and to contribution £1m capital funding to the project. Call-in would have been prejudicial to achieving the deadline of 10 June for acceptance of the grant.
