Motion in the name of Councillor Monroe Palmer

Alcohol Free Zones

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the council meeting.

Council notes the increase in street drinkers, in particular in and around Cricklewood and Golders Green Town Centres. Council further notes the concerns of local residents confronted by this anti social behaviour. Council also notes that a public meeting of residents, held on 17th June in Cricklewood called upon Barnet Council to follow the leads of Brent and Camden in designating the whole Borough as a street drinkers alcohol free zone

Council therefore requests the Cabinet to extend the 'no street drinking alcohol zones' to cover Golders Green and Cricklewood Town Centres and to also consider making the whole Borough an alcohol free zone as far as street drinking is concerned
