

**Council, Tuesday 3 November 2009**

**Motion 3.4:** Councillor Alison Moore

**Stanley Road Playing Fields**

This council believes that community sports provision is important in promoting healthy lifestyles and fighting obesity amongst young people, particularly where there are significant levels of deprivation.

Council calls on the Cabinet to work with local people in East Finchley fighting to bring Stanley Road Playing Field back into full-time use as a community sports provision.

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.
