Non-Executive Business Item – 3.5: Councillor Geof Cooke

Road safety in Barnet

Council notes that Barnet has the second highest number of casualties from road traffic accidents in London, with 1,520 casualties last year – an increase of 8 per cent compared with 2009.

Council calls on Cabinet to investigate why Barnet has such a poor record in road safety, and to come up with a plan to reduce the number of casualties from road traffic accidents.

Under Standing Order Part 4, Section 1, 31.5: if my item is not dealt with by the end of the meeting I ask that it be voted on at the meeting.
