### Fire / Emergency Evacuation Procedure

If the fire alarm sounds continuously, or if you are instructed to do so, you must leave the building by the nearest available exit. You will be directed to the nearest exit by Committee staff or by uniformed porters. It is vital that you follow their instructions.

You should proceed calmly; do not run and do not use the lifts.

Do not stop to collect personal belongings.

Once you are outside, please do not wait immediately next to the building, but move some distance away and await further instructions.

Do not re-enter the building until told to do so.
