Non Executive Business Item: Councillor Barry Rawlings

AGENDA ITEM 3.4

Amendment in the name of Councillor Helena Hart

A&E Emergency Fund

Add at the end:

Council also finds it totally unacceptable that the Breast Screening Service has been re-located from Finchley Memorial Hospital to St. Michael's Hospital in Enfield. Equally unacceptable is the fact that neither the Health & Wellbeing Board nor the Health Overview & Scrutiny Committee had been made aware of this proposal and that no consultation whatsoever had been carried out before this move was effected. Council notes the actions already taken by the Chairman of the HWB in seeking the early re-instatement of the service at Finchley Memorial Hospital which she has already taken up at the highest levels of NHS England as the Commissioners of the Service. Council notes the urgent debate of this item at the next Meeting of the Health & Wellbeing Board on 19th September.

Substantive Item to read:

Council notes the Prime Minister's announcement over the summer of a £500 million emergency fund to help A&E's in crisis to cope with the increase in demand during winter.

Council notes that the Department for Health is deciding how to allocate the funds based on plans from the Urgent Care Boards around the country.

Council asks Cabinet to write to the Secretary of State in support of Barnet's local hospitals receiving some of these funds - Barnet Hospital A&E, Chase Farm A&E and Royal Free A&E -which have all had serious issues dealing with A&E wait times and have ongoing financial challenges.

Council also finds it totally unacceptable that the Breast Screening Service has been re-located from Finchley Memorial Hospital to St. Michael's Hospital in Enfield. Equally unacceptable is the fact that neither the Health & Wellbeing Board nor the Health Overview & Scrutiny Committee had been made aware of this proposal and that no consultation whatsoever had been carried out before this move was effected. Council notes the actions already taken by the Chairman of the HWB in seeking the early re-instatement of the service at Finchley Memorial Hospital which she has already taken up at the highest levels of NHS England as the Commissioners of the Service. Council notes the urgent debate of this item at the next Meeting of the Health & Wellbeing Board on 19th September.

Under Council Procedure Rule, Section 1, Standing Order 23.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.
