## AGENDA ITEM 13

---

**From:** Wiltshire, Rob  
**Sent:** 17 October 2016 18:18  
**To:** Rutter, Cllr Lisa  
**Subject:** Brunswick park play equipment

Dear Councillor,

I have attached the quotation from our termed contractor for the extra play equipment. As discussed if there are other small slides and roundabouts that you prefer from other companies then our contractor should be able to obtain these, but there will be an extra cost as itâ€™s not there equipment.

I am not sure if there is room for a double swing on site but if you prefer a double swing I will request a quote.

If possible it is better to stay with their range.

With this contract we do not require further quotations from other contractors.

We try to ensure all equipment is now metal as we have had vandalism issue in the past with plastic or wood.

Hags /Smp have an extensive range which can be viewed online.
