Amendment to Item 6: Referrals from Chipping Barnet Residents Forum

AGENDA ITEM 6

Please note, following the discussion at the Resident's Forum and agreement from the Chairman and Officers, the request for parking restrictions on Chase Way has been amended to double yellow lines between houses 66-84. the proposed lines cover the east side of the stretch of Chase Way from just beyond the new zebra crossing to the bend that impedes visibility. All households have drives that can accommodate two cars, so do not require on street parking.

This is slightly different from the initial request which was put forward to the Residents Forum and which has been included in the published agenda for the Area Committee.
