Request for CIL Funding with regard to Members Items for Area Committee **AGENDA ITEM 9**

Title	Balmoral Avenue and side roads double yellow lines
Raised by (Councillor)	Reema Patel
Ward	Coppetts
Area Committee	Chipping Barnet
Member Request	<p>Friern Village estate, for the roads after the barrier in Balmoral Avenue and the Regal Drive approach by New Southgate station have for many months had the continuing problem of commuter parking on corners and traveller incursions both at Secret Park and the Regal Drive entrance into Balmoral Avenue.</p> <p>The issue of traveller incursions has been dealt with by the police and the community safety team, who both updated residents at a meeting on 13th September.</p> <p>This request, which has been asked for by residents, is to deter commuters from parking on the corners of Balmoral and the side roads by placing double yellow lines on the corners of Balmoral and the following side roads</p> <p>Kensington Highgrove Viscount Earl Baron Duchess Hampton.</p> <p>This will go some way into giving residents safer sightlines when exiting their side roads, better access for refuse and emergency vehicles and safer paving and sight lines for pedestrians.</p> <p>The request is to also place a double yellow line on the estate side of Regal Drive.</p> <p>This is to ensure that any future traveller incursion at this location can be dealt with swiftly.</p>
