## **9. BACKGROUND INFORMATION**

- 9.1 Councillor Alison Cornelius has requested that a Member's Item be considered as set out at 9.2.

- 9.2 There has been a steady stream of accidents - particularly with cars travelling from west to east - cars being upturned onto their roofs or going off the road into peoples' fences or gates and demolishing them. On numerous occasions the island in the middle of the road at the crossing by the War Memorial has either been totally or partially demolished, as it was at the most recent accident. The road surface is particularly bad around the whole double bend and needs resurfacing, the road markings are nearly extinct, the majority of the cats eyes are missing and having a 30mph sign painted on the road surface (just before the bend in both directions), encouraging people to take the bend at that speed, is reckless and irresponsible.
- 9.3 The Interim Director of Environment, Planning and Regeneration will arrange for officer comment to be given on the item at the meeting

## **10. LIST OF BACKGROUND PAPERS**

- 10.1 None.
