## 9. EARLY YEARS REVIEW

The Family and Community Well-being Lead Commissioner introduced the report and captured the intentions of the early years model.

Following the consideration of the report the Committee:

RESOLVED

- That the Children, Education, Libraries and Safeguarding Committee note the early years review full business case and approve the following:
  - That a locality model of delivery for children’s centres with three Ofsted registered clusters of children’s centres is implemented.
  - That all children’s centres are to be managed by the local authority. Where it is appropriate, and in agreement with a school, the council’s preferred option is for schools to continue to deliver childcare when located on school sites.
  - To continue to improve joint working between health visitors and local authority early years services through joint commissioning arrangements with NHS England. To bring a recommendation to the Committee to establish a fuller form of integration by October 2015.
  - To reduce of opening hours at Stonegrove, St Margaret’s and Hampden Way children’s centres but maintain sessional service delivery in each of the local areas.
  - That officers develop a full options appraisal of alternative deliver models for the early years services and bring a recommendation, following significant staff engagement, to the Committee in October 2015.

- That the Children, Education, Libraries and Safeguarding Committee note the update on the recommendations of the Early Years Task and Finish Group.
