Community Infrastructure Levy: Refusal Informative

This is a reminder that should an application for appeal be allowed, then the proposed development would be deemed as 'chargeable development', defined as development of one or more additional units, and / or an increase to existing floor space of more than 100 sq m. Therefore the following information may be of interest and use to the developer and in relation to the appeal process itself:

The Mayor of London adopted a Community Infrastructure Levy (CIL) charge on 1st April 2012 setting a rate of £35 per sq. m on all forms of development in Barnet except for a £0 per sq. m rate for education and health developments. This planning application was assessed as liable for a £9,322.92 payment under Mayoral CIL at this time.

The London Borough of Barnet adopted a CIL charge on 1st May 2013 setting a rate of £135 per sq. m. on residential and retail development in its area of authority. All other uses and ancillary car parking were set at a rate of £0 per sq m. This planning application was assessed as liable for a £35,075.70 payment under Barnet CIL at this time.

Liability for CIL is recorded to the register of Local Land Charges as a legal charge upon a site, payable should development commence. The Mayoral CIL charge is collected by the London Borough of Barnet on behalf of the Mayor of London; receipts are passed across to Transport for London to support Crossrail.

The assumed liable party will be sent a 'Liability Notice' providing full details of the charge and to whom it has been apportioned for payment. If you wish to identify named parties other than the original applicant for permission as the liable party for paying this levy, please submit to the Council an 'Assumption of Liability' notice; also available from the Planning Portal website.

The Community Infrastructure Levy becomes payable upon commencement of development. A 'Notice of Commencement' is required to be submitted to the Council's CIL Team prior to commencing on site; failure to provide such information at the due date will incur both surcharges and penalty interest. There are various other charges and surcharges that may apply if you fail to meet other statutory requirements relating to CIL, such requirements will all be set out in the Liability Notice you will receive. You may wish to seek professional planning advice to ensure that you comply fully with the requirements of CIL Regulations.

If you have a specific question or matter you need to discuss with the CIL team, or you fail to receive a 'Liability Notice' from the Council within 1 month of any appeal being allowed, please contact us: cil@barnet.gov.uk.
