LICENSING SUB COMMITTEE

HEARINGS PROCEDURE

AGENDA ITEM 4

General points

The following procedure is based on Regulations made by the Secretary of State under the Licensing Act 2003 (“the Hearings Regulations”) which may be viewed or downloaded from the website of the Department for Culture, Media and Sport by following links from www.culture.gov.uk

The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

Chairman

- Introduces him/herself and Members of the Committee, and outlines their roles.
- Introduces Licensing, Legal and Governance Officer.
- Explains that Legal and Governance Officers will be present during the Committee’s deliberations to advise only, and that the Licensing Officer will be excluded from deliberations.
- Asks parties present to introduce themselves.
- Outlines procedure to be followed (Regulation 22).
- Asks all parties to confirm their understanding of the procedure.
- Clarifies any aspect(s) of the procedure where any parties are uncertain or asks Legal or Governance Officer as appropriate to clarify.

Governance Officer

- Informs Committee of absent parties.
- Details persons whom a party is seeking permission to represent them at hearing.
- Panel confer regarding permission.
- Chairman announces decision regarding permission.

Licensing Officer presents the report to the Committee

- Is a statement of the facts including details of the application and operating schedule, relevant policy details, detail representations made, a chronology of events and highlights the points on which the Authority requires clarification.

Applicant

- Presents opening submissions and clarifies points raised by Authority in notice of hearing. Time allowed 5 mins.

Other parties

- Presents opening submissions either in person or by spokes person
Time allowed 5 mins per interested party.

Note regarding use of video evidence

Video evidence must be in DVD format and will form part of the relevant party's five minutes opening submission. Any party wishing to use video evidence must submit a copy to the Authority along with sufficient, identical extra copies to serve on all the opposing parties – i.e. if the applicant is submitting it, there must be enough copies for all parties making representations and if a party making representations is submitting it there must be a copy for the applicant. The recording must be edited down to the highlights, containing only relevant matter which relates to the written representation previously submitted. In addition, a description of how, when and where the video was recorded and what it contains must be submitted. These must be supplied to the Authority at least five working days before the hearing.

Members question Licensing Officer on Policy

Discussion

Chairman leads a discussion concentrating on points of dispute:

Chairman asks Applicant what he disputes in other parties' submissions, and asks other parties to comment.

Chairman proceeds through all objectors dealing with all matters of contention.

When Chairman feels all matters have been thoroughly discussed and all parties have been given a fair and equal opportunity to comment and make representations, she/he closes discussion.

Determination

There are two procedures depending on whether or not determination is to be made at the end of the Hearing or within five working days of the Hearing. This later announcement of determination is permitted in terms of the Legislation for certain types of applications.

Chairman informs all present that the Committee will deliberate, that Legal and Governance Officer will remain to advise but will not be part of decision-making process, and that all others must leave (under Regulation 14).

- Parties, apart from Legal and Governance Officer, leave the room.
- The Committee deliberates, with advice as required from Legal and Governance Officer, and reaches a conclusion. The Legal officer may assist, as required, in formulating the wording of the determination.

- Parties return.
- Chairman reads out determination, and advises it will be sent in writing to all parties.
- Opportunity for determination to be clarified by any interested party who is unclear.
- Chairman gives advice about appealing against the determination.
- Chairman thanks all for attending and closes the meeting.

...Within five working days of the hearing

- Chairman explains requirement to determine the Hearing within five working days, and advises that the Committee will proceed to deliberate and announce the determination within that time.
- During deliberations, Legal and Governance Officers remain to advise on law and procedure as required. The Legal Officer may assist, as required, in formulating the wording of the determination. The Licensing Officer plays no part in the determination and withdraws for this part of the proceedings.
- Chairman advises all parties that they will receive written notification of the determination within five working days of the Hearing date, together with general information on how to appeal against the determination.
- Chairman thanks all parties for attending and invites the applicant, objector(s), other party(ies) and the Licensing Officer to leave.

Information on Appealing against the decision

You may at any time before the expiration of a period of 21 days from notification appeal to Willesden Magistrates' Court, 448 High Road London England NW10 2DZ (Telephone 020 8955 0555, DX 110850 Willesden 2) by way of Complaint for an Order. The Court may either dismiss the appeal, substitute for the decision appealed against any other decision which could have been made by the Licensing Authority or remit the case to the Licensing Authority to dispose of it in accordance with the directions of the court, and can make such order as to costs as it thinks fit.

Recommendations
<p>1. This report asks the Sub-Committee to consider the application for a new Premises Licence, under section 17 of the Licensing Act 2003 for Euro Food Market, 1 High Street, Barnet, EN5 5UE</p>

2. REASONS FOR RECOMMENDATIONS

- 2.1 Where a representation is submitted under section 18(3) of the Licensing Act 2003 (and not withdrawn), the authority must hold a hearing to consider it, unless the applicant and any party or responsible authority who has made (and not withdrawn) a valid representation agree, or where the authority considers that the representations are frivolous, vexatious or will certainly not influence the authority's determination of the application.

Officer Report

LICENSING ACT 2003

OFFICERS REPORT

Euro Food Market, 1 High Street Barnet,

1. The Applicants

The application was submitted by Arulshalini Sureshan, 7 White Gates, 100 Station Road, New Barnet, EN5 1QB.

2. Application

- To allow the supply of alcohol off the premises only from 07:00hrs until 01:00hrs the following morning Monday to Sunday.
- To allow the premises to remain open to the public from 07:00hrs until 01:00hrs the following morning Monday to Sunday.

A full copy of the application can be seen in **Annex 1** attached to this application.

3. Application process

The applicant has been in discussions with Sgt Mark Altman on behalf of Metropolitan Police to the inclusion of various conditions in their application. I can confirm that the applicants agreed to amend their application in order to show the following conditions:

- a) Digital recording colour CCTV comprising a multi camera system.
- b) The head unit (recorder) for storing the images will store such data on a hard drive or a similar quality medium.
- c) A CD or DVD burner will also form part of the system to facilitate making copies of the images.
- d) If the head unit (recorder) is kept on the premises it must be located in a secure cabinet or other secure area, preferably out of the sight and reach of the public. The unit must be further secured by physical means to prevent anyone from merely picking up and removing the unit, e.g. a secure metal boot, or metal case strap, bolted to an immovable object like a wall or floor.
- e) The quality of the images must be of a sufficiently high standard to allow identification of the subject matter.
- f) Cameras will cover key areas identified by the operator and Police. These will include external cameras covering any outside area used by patrons of the premises, the external entrance and exit doors, clear headshots of persons entering the premises, approach route to the toilets, the bar and till areas and other areas not in full view from the bar.
- g) Images must be retained for a period of 31 days before overwriting.
- h) The images will be made available in reasonable time on demand by the Police and authorised officers of the London Borough of Barnet.

- i) At all times when the premises are open there shall be at least one person who is capable of operating the CCTV system if required to do so by the Police or authorised officers of the London Borough of Barnet.
- j) This system will be fully maintained at all times to ensure correct operation.

A full copy of this agreement can be seen in **Annex 2** attached to this report.

4. Representations

Responsible Authorities

No representations have been submitted by any responsible authorities.

Other representations

The licensing department have received 16 representations submitted by members of the public, one of which has a petition with 96 signatures.

The objections refer to issues of crime and disorder and public nuisance if this premise is permitted to supply alcohol.

There are also other issues not relating to the licensing objectives such as too many of a single type of premises in one area.

The representation letters can be seen in full in **Annex 3** attached to this report.

5. Officer Comments

The licensing Act 2003 does not allow issues relating to an area being saturated with one type of premises to be considered when determining a licence application.

6. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be necessary in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council’s Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

I thought we had received a response but cant find it. Do you want me to send him another e mail requesting this as I don't want to have to put a rep in to hold the app open.

Dear Sir

PROPOSED LICENCE FOR SALE OF ALCOHOL : 1 HIGH STREET, BARNET, HERTS. EN5 5UE.

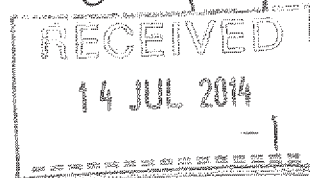

I am most unhappy with the above proposal, for the following reasons:

1. It appears to be commercially suspect: the Applicant already trades at No 5.
2. Three similar retail outlets in a row is generally undesirable. We need a broad mix.
3. With the Queen Elizabeth Girls School opposite it is clearly unwise to proliferate the sale of alcohol here.
4. Additional alcohol outlets clustered together will bring the inevitable 'price war', and encourage this corner to become a centre for social trouble.

I strongly OPPOSE this application and ask that you reject it.

Yours faithfully

Dear Sir or Madam,

I live in Bedford Ave., and am of the opinion that yet another off-license at the end of our road is at least one too many.

One right on the corner could result in anti-social behaviour and the recurrence of loud groups using the spaces outside the dentists and the adjacent driveway.

Objection to another off licence
At EuroFood Mart 1, High Street Barnet

With reference to your public of another of licence at Euro Food Mart, 1 High Street, Barnet, EN5 5UE, I would like to submit my objection. I have a Restaurant and Take away at High Street, Barnet, EN5 and my delivery Drivers pick up take away at Bedford Avenue. I already have complains from my Delivery Drivers, that they get disturbed by drunk people hanging around at Bedford Avenue. If you grant permission to Euro Food Mart 1 High Street Barnet EN5 5UE we would have more problems with drunk people hanging around at Bedford Avenue. There is Queen Elisabeth Girls in front of 5 Euro Food and Wine and many School Girls buy Cigarettes and Liqueur and hang around at Bedford Avenue. If you grant permission to 1 Euro Food Mart, High Street, Barnet, EN5 5UE it would be more problem for School and Environment.

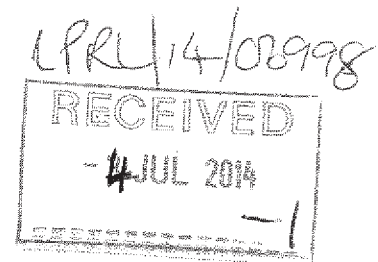

Please take a proper action against opening an off-licence at Euro Food Mart,1 High Street, Barnet, Herts., EN5 5UE as soon as possible.

Dear Sir

1 High St Barnet, EN5 5UE

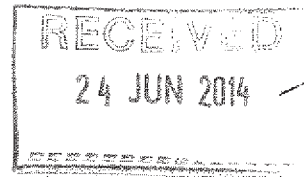

I believe there is an application for the above premises to have an off licence. I wish to register my objection on the grounds that the two premises next door already have licences so this application is not fulfilling an unmet need. In addition the area is already blighted by young people abusing the licensing laws and an additional facility would seriously inconvenience those living in Bedford Ave in particular.

I trust you will give these objections serious consideration.

**Address of Premises : Euro Food Mart

Dear Sir/Madam

I write to strongly oppose the grant of a licence to the above premises, for the following reasons:

There are, adjacent to the above property, two shops, both of which are licensed to sell alcohol, a third "off-licence" would, in my opinion, be excessive.

We endure a lot of late night rowdiness in the street due to the proximity of the two existing "off-licences". A third would undoubtedly exacerbate this problem.

We witness parking on the double yellow lines leading up to the corner of Bedford Avenue and the High Street. These illegal parkers are, in the main, customers using the two existing "off-licences". Any more such traffic would turn a hazardous situation into a lethal one.

Yours faithfully

Subject: OBJECTING TO PLANS FOR OFF-LICENCE AT 1, HIGH STREET, BARNET

Dear Licensing Officer,

I live on Bedford Avenue and was very dismayed to learn that the owners of Euro Food & Wine, 5 High Street, Barnet, EN5 5UE, have applied to open yet another off licence two doors down, at 1 High Street Barnet, Given that 3, High Street sells alcohol, this means there would be 3 off-licences in a row, all across the road from the tube station, which commuters travel in and out of High Barnet, so a busy spot with a lot of footfall.

I strongly object to this as the road we live on Bedford Avenue has suffered over the years from some distressing anti-social behaviour, triggered by drink, including stones thrown through windows at Bedford Avenue. Our neighbours' New Years Eve party, two 2 or 3 years ago, was gatecrashed by a gang of yobs, who'd hung around the off-licence up the road and followed back a guest to the party. When asked to leave, they turned violent, throwing a flower pot through the glass pane in the doorway, causing damage and personal injury, with the police having to be called in.

I've been told by parents of teenagers in Barnet that Euro Food & Wine do not ask for identification when selling to under-age drinkers, so are a popular place to stock up among teenagers and this should be investigated. Irresponsible drinking is a blight on society and already an issue which Barnet, like many areas, suffers from. The last thing High Barnet needs is yet another off licence. Shops selling cheap alcohol allow people to binge drink and should be discouraged, not allowed to proliferate.

I hope you will address the very serious concerns raised by this and do the responsible thing in denying a business, which already sells alcohol into the early hours, to open a second shop.

I look forward to hearing from you.

Yours sincerely,

Jenny Windsor

Dear Sir/Madam,

Objection of another off licence
at Euro Food Mart 1, High Street Barnet

We would like to inform to you, that the Owner of Euro Food & Wine, 5 High Street, Barnet, EN5 5UE has applied for another off licence under his wife name Arulshalini Sureshan next to our Shop "Hill Side News" 3 High Street, Barnet, EN5 5UE at Euro Food Mart 1 High Street Barnet EN5 5UE. There would be three off licence one after other in High Street, Barnet, if you grant permission for off licence to Euro Food Mart 1 High Street Barnet Herts., EN5 5UE. I have attached a copy of your notice for your kind consideration.

There is Queen Elisabeth Girls School in front of it, Vale Drive Medical Centre is nearby, Dental Surgery at Bedford Avenue, St. Catherin Primary School is nearby and is a residential area. We already have complains that the School Girls buy alcohol and hang around by corner of Bedford Avenue from the School and Residents of Bedford Avenue.

There would be too many Liquor Shops on High Street Barnet one after other. There would be inconvenience to people who live nearby. There were many complains several occasions about drunkard hanging around by their Home after midnight and disturbed their goodnight sleep due to the extended late night opening Hours of Euro Food & Wine 5 High Street, Barnet, Hertfordshire, EN5 5UE.

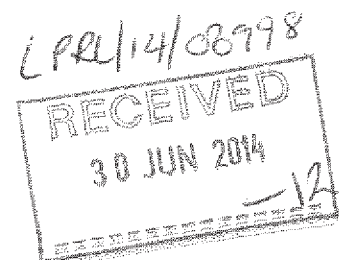

We have already made a complain to the Barnet Councillor dated 24th. March 2014 regarding this mater and he replied to us that, he has passed our concern to Licencing Team. We have attached a list of people, who signed against the proposal of opening an off-licence at Euro Food Mart 1, High Street Barnet, Herts.,EN5 5UE.

Please be kind enough to investigate this mater and take proper action against opening an off-licence at Euro Food Mart,1 High Street, Barnet, Herts., EN5 5UE as soon as possible.

Subject: Objection to Premises License for 1 High Street Barnet

Dear Sirs

I am emailing regarding the application for a Premises License by Arushalini Sureshan for the property situated at the corner of Bedford Avenue and The High Street opposite High Barnet Tube Station. Considering the location of the shop in question I strongly object to having yet another shop selling alcohol in this area. With another two off licenses directly next door, one a few hundred meters up hill, one just at the bottom of Bedford Avenue and another less than a mile down hill (not to mention numerous pubs in the neighbourhood) I find, if anything, there are already too many shops selling alcohol in this area. Apart from threatening the livelihood of two well established shops at the same location by trying to attract business away from them I feel that there are already enough people making life for residents of Bedford Avenue unpleasant by hanging around drunk in the vicinity of the two shops already there. Being opposite a large secondary school should be another good reason not to open yet another off license. While "Shake Town", the shop previously occupying the premises, was a very good place for a quick after school visit by secondary school students I find having three off licenses next to each other definitely sends the wrong message to young people.

Thank you very much for your consideration.

Yours sincerely

Subject: RE: Objection to another off licence at 1 High Street, Barnet

Dear Daniel,

It sounds like you want me to be more specific. I object on the grounds that there are already two off licences at the end of our road (Bedford Avenue).

As a long term resident of Bedford Avenue () I am very concerned about this proposed development. I feel that it is quite unnecessary given that both Hillside News next door and Euro Food and Wine already hold licenses. Creating such an 'alcohol hot spot' at the beginning of a residential street is wholly inappropriate and will only encourage further unwanted on street drinking in the immediate area around the junction and down the road. This corner already attracts very unwelcome drinking activity and there is a serious and growing associated litter problem both at the corner and along the street. I regularly find empty beer cans and broken bottles along the length of the road. The close proximity to the local secondary girls school (QE Girls) would also suggest such a development would be wrong.

I can see no justification for a further licence to be granted which I am certain would prove wholly detrimental to the local community.

Yours faithfully

We do not want another off license at the corner of Bedford Avenue High Barnet, because it encourages more antisocial- behavior , drinking and generally makes the area more unsafe for the community.

Dear Licencing Officer

I object to 1 High Street making an application to sell liquor as thus will result in increased CRIME IN THE HIGH BARNET AREA.

There are far too many shops selling alcohol and I do not want the youth to be exposed to the crimes of alcohol.

Please do not grant this licence

I await your confirmation that this application is refused.

Sir/Madam

I have seen a public notice of application for a liquor licence.

Applicant: Arulshalini Sureshan
Euro Food Mart
High Street
Barnet
EN5

I understand that if wish to make a representation in respect of the application, I must do so within 28 days of the date stated on the notice.

I make the following observations and points.

1. The notice bears no date whatsoever. As such is has no legal significance and is completely useless as a document for the public to take notice of and act upon.????

2. If granted it would mean that we would have a yet another liquor store alongside the two others that are already competing with each other, resulting in the sale of ever cheaper alcohol. As local residents we already have to put up with groups of youngsters hanging around the vicinity looking for older citizens and asking them to purchase alcohol on their behalf. A refusal to do so often results in abuse and intimidating behaviour.

3. I believe residents would be further inconvenienced by the general increase in late evening rowdy behaviour, noise, broken bottles and general litter that the granting of another liquor licence for these particular premises would result in.

We do not need another licensed liquor store in this part of Barnet, and we certainly do not need three of them alongside one another in our High Street.

Many thanks

To Whom it may concern:

I am writing in protest at the possibility of yet another Off licence at the top of Meadway where I live. Apart from the noise and general inconvenience which the granting of this application would entail, I am concerned that there is a large school for girls very close by which surely should not have several liquor shops on their threshold. Please deny the Owner of Euro Food and Wine shop a licence for one more liquor shop to add to those he already has.
