LICENSING SUB COMMITTEE

HEARINGS PROCEDURE

AGENDA ITEM 4

General points

The following procedure is based on Regulations made by the Secretary of State under the Licensing Act 2003 (“the Hearings Regulations”) which may be viewed or downloaded from the website of the Department for Culture, Media and Sport by following links from www.culture.gov.uk

The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

Governance Officer

- To seek nominations for Chairman
- Elect Chairman
- Hand over to the Chairman

Chairman

- Introduces him/herself and Members of the Committee, and outlines their roles.
- Introduces Licensing, Legal and Governance Officer.
- Explains that Legal and Governance Officers will be present during the Committee’s deliberations to advise only, and that the Licensing Officer will be excluded from deliberations.
- Asks parties present to introduce themselves.
- Outlines procedure to be followed.
- Asks all parties to confirm their understanding of the procedure.
- Clarifies any aspect(s) of the procedure where any parties are uncertain or asks Legal or Governance Officer as appropriate to clarify.

Governance Officer

- Informs Committee of absent parties.
- Details persons whom a party is seeking permission to represent them at hearing.
- Panel confer regarding permission.
- Chairman announces decision regarding permission.

Licensing Officer presents the report to the Committee

- Is a statement of the facts including details of the application and operating schedule, relevant policy details, detail representations made, a chronology of events and highlights the points on which the Authority requires clarification.

Applicant

- Presents opening submissions and clarifies points raised by Authority in notice of hearing. Time allowed 5 mins.

Other parties

- Presents opening submissions either in person or by spokes person Time allowed 5 mins per interested party.

Note regarding use of video evidence

Video evidence must be in DVD format and will form part of the relevant party's five minutes opening submission. Any party wishing to use video evidence must submit a copy to the Authority along with sufficient, identical extra copies to serve on all the opposing parties – i.e. if the applicant is submitting it, there must be enough copies for all parties making representations and if a party making representations is submitting it there must be a copy for the applicant. The recording must be edited down to the highlights, containing only relevant matter which relates to the written representation previously submitted. In addition, a description of how, when and where the video was recorded and what it contains must be submitted. These must be supplied to the Authority at least five working days before the hearing.

Members question Licensing Officer on Policy

Discussion

Chairman leads a discussion concentrating on points of dispute:

Chairman asks Applicant what he disputes in other parties' submissions, and asks other parties to comment.

Chairman proceeds through all objectors dealing with all matters of contention.

When Chairman feels all matters have been thoroughly discussed and all parties have been given a fair and equal opportunity to comment and make representations, she/he closes discussion.

Determination

There are two procedures depending on whether or not determination is to be made at the end of the Hearing or within five working days of the Hearing. This later announcement of determination is permitted in terms of the Legislation for certain types of applications.

Chairman informs all present that the Committee will deliberate, that Legal and Governance Officer will remain to advise but will not be part of decision-making process, and that all others must leave (under Regulation 14).

- Parties, apart from Legal and Governance Officer, leave the room.
- The Committee deliberates, with advice as required from Legal and Governance Officer, and reaches a conclusion. The Legal officer may assist, as required, in formulating the wording of the determination.
- Parties return.
- Chairman reads out determination, and advises it will be sent in ⁶

writing to all parties.

- Opportunity for determination to be clarified by any interested party who is unclear.
- Chairman gives advice about appealing against the determination.
- Chairman thanks all for attending and closes the meeting.

...Within five working days of the hearing

- Chairman explains requirement to determine the Hearing within five working days, and advises that the Committee will proceed to deliberate and announce the determination within that time.
- During deliberations, Legal and Governance Officers remain to advise on law and procedure as required. The Legal Officer may assist, as required, in formulating the wording of the determination. The Licensing Officer plays no part in the determination and withdraws for this part of the proceedings.
- Chairman advises all parties that they will receive written notification of the determination within five working days of the Hearing date, together with general information on how to appeal against the determination.
- Chairman thanks all parties for attending and invites the applicant, objector(s), other party(ies) and the Licensing Officer to leave.

Information on Appealing against the decision

You may at any time before the expiration of a period of 21 days from notification appeal to Willesden Magistrates' Court, 448 High Road London England NW10 2DZ (Telephone 020 8955 0555, DX 110850 Willesden 2) by way of Complaint for an Order. The Court may either dismiss the appeal, substitute for the decision appealed against any other decision which could have been made by the Licensing Authority or remit the case to the Licensing Authority to dispose of it in accordance with the directions of the court, and can make such order as to costs as it thinks fit.

The representation can be seen attached to this report in **Annex 2**.

4. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council’s Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

- measures the sound level in the premises by use of a tamper proof device permanently sited at the premises. Such sound pressure levels are to be measured in octave band frequencies of 16,32,63, 125,250 and 500 Hz. ,

- immediately withdraws power to the amplifier in the event that preset sound levels of any or all of the individual octave bands which have previously been agreed by the Group Manager, Public Health and

be at a level which causes a nuisance.

- is permanently fixed in the premises and cannot be altered, bypassed or tampered with in any way.

- is correctly installed by a competent person, being an electrician who is enrolled with NICEIC.

- includes electrical contact point switches fitted on all open able windows to the property. Such switches to be fitted in series in a single electrical circuit loop such that in the event of the electrical contact switches becoming separated (by a window being opened) then the power to the amplifier is withdrawn immediately.

- includes electrical contact point switches fitted on all open able doors which are fire doors used other than to enter or leave the premises under normal circumstances. Such switches to be fitted in series in a single electrical circuit loop together with the electrical contact switches fitted to the windows, such that in the event of the electrical contact switches becoming separated (by a fire door being opened) then the power to the amplifier is withdrawn immediately.

Dear Sir

Re Application by L'Arroma Bar & Restaurant Ltd at 100 High Street, Edgware, HA8 7HF for a Premises License to permit: The Sale By Retail Alcohol and regulated entertainment , namely live music and or recorded music between 12.00 and 24.00 on Sundays to Thursdays and until 01.00 following Fridays and Saturdays and the provision of late night refreshment until 24.00 on Sundays to Thursdays and until and 01.00 following Fridays and Saturdays ,

We are tenants living at High Street, Edgware, next door to the applicant where we share a party internal wall with a 100 High Street, Edgware.

We are writing to strongly object to the granting of the application at 100 High Street, Edgware. If this license were to be granted we fear that our lives would become intolerable because of noise and sound vibration. We work in shifts therefore it is important we are not disturbed during the day or night.

In addition to the above, our objections are for the following reasons –

The Prevention of a public nuisance

Two out of the four of us were already living at High Street during the period 1998 to 2001 Celebrations Club operated from 100 High Street, Edgware. During this time living in the flat above the pharmacy we suffered considerable noise nuisance from Celebrations. Live pounding music and amplified speech also caused considerable disturbance. Although numerous complaints were made to Barnet's Environmental Health department, which resulted in many visits by their officers, the problem continued. Even when the premises at 100 High Street were raided by police and noise pollution officers, and amplification equipment was seized, further noise and vibration through the premises walls continued the next day. It took a number of years for the noise problem to cease which only happened when the premises were eventually closed down.

Before Celebrations opened in 1998 we were informed me that the premises had been adequately sound proofed. This was not done. **Even when some sound proofing at 100 High Street was installed, every spoken amplified word could be clearly heard in the flat above and this together with both live and recorded music being played, caused enormous disturbance over many years.** In fact, both the police and Environmental

Health Officers informed our landlord at the time that they thought it would be very difficult to sound-proof such an old building clearly not designed for this purpose.

We were also informed via our landlord that in 2001 Barnet's Environmental Health Officers stated that Celebrations was one of the worst cases of noise disturbance, and of total disregard for their official notices, that they had known. The granting of a new license to L'Aroma Bar & Restaurant to allow them to play recorded or live music, use amplified speech on their premises and to open late into the night and the early hours of the morning, will again cause enormous misery to us at High Street, Edgware and to members of the public walking along Edgware High Street both during the day and at night.

Edgware High Street is already served by a number of licensed restaurants on the opposite side of the road to the applicant where the buildings are set back from the pavement. Along the High Street near to the applicant we already have licensed premises for the sale of alcohol. We do not require more outlets. **100 High Street has a narrow pavement and disruption would be caused to adults and children if the application is granted.**

Public safety

When Celebrations club were open in 1998/2001 we were concerned that they did not have a rear fire exit; only their front door.

The prevention of crime and disorder

When the premises/club at 100 High Street was last open, the premises traded considerably after the official licensing hours. Noise disturbance continued well into the early hours of the morning, with a total disregard for the official closing time.

Live and recorded music have in the past caused enormous distress to the tenants at High Street, Edgware and to our neighbours. We are afraid the same thing will occur again. No sound proofing or controlling mechanism will be effective at 100 High Street.

Please reject this application and allow those living and working in the vicinity of the applicant to enjoy a peaceful life at all hours of the day and night.

Yours sincerely

Tenants at High Street, Edgware.

My objection is for the following reasons –
The Prevention of a public nuisance

We strongly object to the granting of such a license. With previous experience, I can confirm this will cause nothing but a nuisance for both local shops, and especially local residents. That only we above and next to the venue.

Also the outspill of people on such a small pathway would also cause noise and chaos. The venue has been closed for over a year with the landlord trying to sell the lease, so I can confirm the place as a bar is not in demand in the area.

Regards Mr. Scibile

I am the freeholder of the premises at High Street, Edgware, HA8 7HF next door to the applicant where we share a party internal wall with a 100 High Street, Edgware. From August 1975 to January 2005 I owned and managed the pharmacy at this address. The pharmacy is now let by me on a lease, as is the first floor flat at High Street, situated above the pharmacy.

I am writing to strongly object to the granting of the application above at 100 High Street, Edgware. In fact, both the police and Environmental Health Officers told me at the time that they thought it would be very difficult to sound-proof such an old building clearly not designed for this purpose.

I was also told in 2001 by Barnet's Environmental Health Officers that Celebrations was one of the worst cases of noise disturbance, and of total disregard for their official notices, that they had known. The granting of a new license to L'Arroma Bar & Restaurant to allow them to play recorded or live music, use amplified speech on their premises and to open late into the night and the early hours of the morning, will again cause enormous misery to their neighbours at High Street, other nearby premises and to members of the public walking along Edgware High Street both during the day and at night.

Edgware High Street is already served by a number of licensed restaurants on the opposite side of the road to the applicant where the buildings are set back from the pavement. There are also licenced shops selling alcohol in close proximity to 100 High Street.

100 High Street has a narrow pavement and disruption would be caused to adults and children if the application is granted.

Public safety

When Celebrations club were open in 1998/2001, my neighbours and I were concerned that they did not have a rear fire exit; only their front door. There is a boundary wall at the rear of and 100 High Street Edgware. This wall is on my property and there is no right of way across it.

The prevention of crime and disorder

When the premises/club at 100 High Street was last open, the premises traded considerably after the official licensing hours. Noise disturbance continued well into the early hours of the morning, with a total disregard for the official closing time.

Live and recorded music have in the past caused enormous distress to my tenants, neighbours and me, and I am afraid the same thing will occur again. No sound proofing or controlling mechanism will be effective at 100 High Street.

Please reject this application and allow those living and working in the vicinity of the applicant to enjoy a peaceful life at all hours of the day and night.

Yours sincerely

Dear Sir

Re Application by L'Arroma Bar & Restaurant Ltd at 100 High Street, Edgware, HA8 7HF for a Premises License to permit: The Sale By Retail Alcohol and regulated entertainment, namely live music and or recorded music between 12.00 and 24.00 on Sundays to Thursdays and until 01.00 following Fridays and Saturdays and the provision of late night refreshment until 24.00 on Sundays to Thursdays and until and 01.00 following Fridays and Saturdays,

I am the manager and pharmacist of the pharmacy at High Street, Edgware, next door to the applicant where we share a party internal wall with a 100 High Street, Edgware.

I am writing to strongly object to the granting of the application above at 100 High Street, Edgware. If this license were to be granted I fear that the noise and vibrations from the shared party wall with 100 High Street would become intolerable resulting in very difficult working conditions in the pharmacy.

My objections are also for the following reasons –

The Prevention of a public nuisance

I have been informed by our landlord Mr Gerald Zeidman who was the proprietor of the pharmacy during the period 1998 to 2001 when Celebrations Club operated the premises at 100 High Street, Edgware. That the following took place –

The pharmacy suffered considerable noise nuisance from Celebrations. Live pounding music and amplified speech caused considerable disturbance to those working in the pharmacy, particularly when working late in the evening. Although numerous complaints were made to Barnet's Environmental Health department, which resulted in many visits by their officers, the problem continued. Even when the premises at 100 High Street were raided by police and noise pollution officers, and amplification equipment was seized, further noise and vibration through the premises walls continued the next day. It took a number of years for the noise problem to cease which only happened when the premises were eventually closed down.

Mr Zeidman has informed me that **even when some sound proofing at 100 High Street was installed as demanded by the local authority's Environmental Health Officers ,**

every spoken amplified word could be clearly heard in the pharmacy and in the flat above and this together with both live and recorded music being played, caused enormous disturbance over many years. In fact, both the police and Environmental Health Officers told Mr Zeidman at the time that they thought it would be very difficult to sound-proof such an old building clearly not designed for this purpose.

Mr Zeidman informed us he was also told in 2001 by Barnet's Environmental Health Officers that Celebrations was one of the worst cases of noise disturbance, and of total disregard for their official notices, that they had known. The granting of a new license to L'Arora Bar & Restaurant to allow them to play recorded or live music, use amplified speech on their premises and to open late into the night and the early hours of the morning, will again cause enormous misery those working in the pharmacy, their neighbours and to members of the public walking along Edgware High Street both during the day and at night.

Edgware High Street is already served by a number of licensed restaurants on the opposite side of the road to the applicant where the buildings are set back from the pavement. **100 High Street has a narrow pavement and disruption would be caused to adults and children if the application is granted.** There are already licenced shop premises in close proximity to 100 High Street to meet the needs of the local people.

Public safety

100 High Street does not have a rear fire exit; only their front door. There is a boundary wall between the rear of and 100 High Street Edgware. This is not accessible as an escape route to members of the public.

The prevention of crime and disorder

I have been informed by my landlord that when the premises/club at 100 High Street was last open, the premises traded considerably after the official licensing hours. Noise disturbance continued well into the early hours of the morning, with a total disregard for the official closing time.

Live and recorded music have in the past caused enormous distress to those in the pharmacy and my neighbours and I am afraid the same thing will occur again. No sound proofing or controlling mechanism will be effective at 100 High Street.

Please reject this application and allow those working and living in the vicinity of the applicant to enjoy a peaceful life at all hours of the day and night.

Yours sincerely

AMIT SHAH

Manager
