HEARINGS PROCEDURE

AGENDA ITEM 4

General points

The following procedure is based on Regulations made by the Secretary of State under the Licensing Act 2003 (“the Hearings Regulations”) which may be viewed or downloaded from the website of the Department for Culture, Media and Sport by following links from www.culture.gov.uk

The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

Any party wishing to use video evidence must submit a copy to the Authority along with sufficient, identical extra copies to serve on all the opposing parties – i.e. if the applicant is submitting it, there must be enough copies for all parties making representations and if a party making representations is submitting it there must be a copy for the applicant. The recording must be edited down to the highlights, containing only relevant matter which relates to the written representation previously submitted. In addition, a description of how, when and where the video was recorded and what it contains must be submitted. These must be supplied to the Authority at least five working days before the hearing.

Members question Licensing Officer on Policy

Discussion

Chairman leads a discussion concentrating on points of dispute:

Chairman asks Applicant what he disputes in other parties' submissions, and asks other parties to comment.

Chairman proceeds through all objectors dealing with all matters of contention.

When Chairman feels all matters have been thoroughly discussed and all parties have been given a fair and equal opportunity to comment and make representations, she/he closes discussion.

Determination

There are two procedures depending on whether or not determination is to be made at the end of the Hearing or within five working days of the Hearing. This later announcement of determination is permitted in terms of the Legislation for certain types of applications.

Chairman informs all present that the Committee will deliberate, that Legal and Governance Officer will remain to advise but will not be part of decision-making process, and that all others must leave (under Regulation 14).

- Parties, apart from Legal and Governance Officer, leave the room.
- The Committee deliberates, with advice as required from Legal and Governance Officer, and reaches a conclusion. The Legal officer may assist, as required, in formulating the wording of the determination.
- Parties return.
- Chairman reads out determination, and advises it will be sent in ⁶

writing to all parties.

- Opportunity for determination to be clarified by any interested party who is unclear.
- Chairman gives advice about appealing against the determination.
- Chairman thanks all for attending and closes the meeting.

...Within five working days of the hearing

- Chairman explains requirement to determine the Hearing within five working days, and advises that the Committee will proceed to deliberate and announce the determination within that time.
- During deliberations, Legal and Governance Officers remain to advise on law and procedure as required. The Legal Officer may assist, as required, in formulating the wording of the determination. The Licensing Officer plays no part in the determination and withdraws for this part of the proceedings.
- Chairman advises all parties that they will receive written notification of the determination within five working days of the Hearing date, together with general information on how to appeal against the determination.
- Chairman thanks all parties for attending and invites the applicant, objector(s), other party(ies) and the Licensing Officer to leave.

Information on Appealing against the decision

You may at any time before the expiration of a period of 21 days from notification appeal to Willesden Magistrates' Court, 448 High Road London England NW10 2DZ (Telephone 020 8955 0555, DX 110850 Willesden 2) by way of Complaint for an Order. The Court may either dismiss the appeal, substitute for the decision appealed against any other decision which could have been made by the Licensing Authority or remit the case to the Licensing Authority to dispose of it in accordance with the directions of the court, and can make such order as to costs as it thinks fit.

Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

THE SERVICE CONCEPT

The ethos behind the restaurant concept was designed and developed to promote a responsible entertainment offering by ensuring that the target market is the professional middle class individual and family. This reflects the ownership. The husband and wife co-founders are both medical doctors. The wife is a consultant eye surgeon in London while the husband has been a businessman entrepreneur for the last few years. The ambience of the restaurant will discourage rowdy behaviour

OPERATING SCHEDULE

The Operating Schedule has been developed taking into consideration the Colindale area where the restaurant is.. We have provided the hours of operation and licensable activities to reflect this. The co-founder is the Designated premises supervisor and will supervise daily operational control of the premises, to ensure the provision of good training for staff on the Licensing Act (Training Record) and to make or authorize each sale. For example prevention strategies such as "Challenge 25" information to prevent the supply of alcohol to under-age drinkers will be implemented. Security will be enhanced by tSIA approved door supervisors and CCTV system installed with recording option will be available

GOOD STAFF TRAINING

- (a) Formal qualifications for at least the supervisory staff (manager) to Personal Licence level would be essential.
- (b) All staff will be advised of licensing law in writing before they are allowed to serve alcohol.
- (c) Training will be provided on premises' specific policies relevant to the operation of the business.
- (d) A record will be kept of the date and name of person trained or advised and be made available for inspection by the police or licensing authority.

b) The prevention of crime and disorder

STAFF TRAINING

Staff training in conflict management will be provided to give them the knowledge and confidence to deal with difficult situations and reduce crime and disorder at the premises.

DOOR SUPERVISORS

We will use or employ at least 2 SIA approved door supervisors at all times when a licensable activity is being carried out during non-standard times to:

- 1) Prevent the admission and ensure the departure from the premises of drunk and disorderly persons, without causing further disorder;
- 2) Keep out excluded individuals (subject to court or pub watch bans) or blacklisted individuals
- 3) Search and exclude persons suspected of carrying illegal drugs or offensive weapons
- 4) Keeping an incident diary so that any problems can be identified to prevent them from occurring again. It also gives an accurate picture for company communication and passing on to any authorities that may need details. Records will be filed as accurate as possible for possible use in any legal actions that may occur.

CCTV MONITORING

We will install Video/CCTV equipment inside/outside the premises and ensure that it is maintained in working order. In addition the Video/CCTV equipment will record from the time that the premises open to the public until the premises close and all members of the public have left. Any cameras covering the exterior of the premises accessible to the public will be left to record for the duration of the tape and will be retained for a period not less than 28 days and will be available to authorised persons on demand. Staff will be trained in the maintenance and operation of such systems with a record kept of the date and name of person trained. Records will be made available for inspection by the police or licensing authority. A trained member of staff will be on duty to operate the system whenever the premises are open.

CONSUMPTION BEHAVIOUR

Consumption of alcohol will be restricted to the areas identified on the plan attached to the operating schedule. No customers will be admitted, or permitted to leave when carrying open or sealed bottles or glasses. We are implementing a solution in our EPOS system where if you have to refuse service because customers are underage, drunk, etc. it is recorded. This record book will show legal compliance. It also helps to develop prevention strategies by building a picture of any problem patterns. Also we will encourage water consumption with alcohol by serving potable water in a jug or drinking glass when alcohol is served on a table. Consumption of alcohol will not be encouraged if you are standing therefore it will be served mainly to seated customers. Last orders will be communicated to diners on the tables well before the stop of the sales (15 minutes during the week and 30 minutes during the weekend). There will be no irresponsible alcohol promotions e.g. drink all you can.

EMERGENCY EXIT

Emergency exits will be alarmed when the premises are open to the public so that staff are immediately notified of unauthorised opening or tampering.

PREMISES POLICIES

A clear and legible notice will be outside the premises indicating the normal hours under the terms of the premises licence during which licensable activities are permitted. Age restriction notices including the Challenge 25 policy will be clearly displayed. A policy to manage capacity will be adopted to prevent overcrowding.

Continued from previous page...

LIGHTING

Internal and external lighting fixed to promote the public safety objective.

FIRE SAFETY

Well trained staff adherence to environmental health requirements. A fire detection system will be in place at the premises and will be fully functional at all times. The system will be tested regularly with records kept and made available for inspection. Evacuation responsibilities and roles will be clearly communicated to staff, routes and exits will be well defined. Staff training in fire safety and any premises safety policy will be provided for all staff to give them the knowledge and confidence to deal with emergency situations, including location of equipment, utilities, services and layout of premises. Training will include how to use fire extinguishers.

SMOKING POLICY

Staff will be aware of their responsibilities regarding smoke-free legislation and for monitoring compliance.

DRUG USE

A zero tolerance policy to the use of drugs in the premises will be adopted. Entry will be refused to anyone who appears to be showing signs of drug use and contacting the emergency services in appropriate circumstances. In such cases, an entry will be made in an incident log book. A duty of care policy regarding persons suffering adversely from the effects of drugs will be in place at the premises. The policy will include drug awareness training for all staff so that they can recognise the effects of controlled drugs and provide medical attention where necessary.

INSPECTION SCHEDULES

A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made; those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises licence that requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation.

All parts of the premises and all fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, air condition, sanitary accommodation and other installations, will be maintained at all times in good order and in a safe condition. Premises will be searched inside and out for suspect packages before, during and after opening hours. Staff will be trained to remain vigilant during opening hours and report any suspicious activity to the Police.

EMERGENCY EXIT

This will be clearly labeled so people know that it is an emergency exit. It will be accessible easily. All members of staff will know how to open this exit and will be trained on emergency evacuation in the event of an incident.

GLASS POLICY

A glass collection policy will include provisions for regular collection of glassware by staff and the prevention of glassware from being taken into external off the premises. Glassware will not be allowed to accumulate or cause obstruction. All staff will be made aware of the glass collection policy and their responsibility for the task. Spillages and broken glass will be cleaned up immediately to prevent floors from becoming slippery and unsafe.

FIRST AID

First aid box will be available at the premises and maintained with sufficient in date stock. Staff will be trained to a basic first aid standard with records kept of the date and name of person trained.

LEAVING THE PREMISES

There will be information available for customers with regards to safe options for travelling home. Information will include access to licensed taxi cabs or licensed private hire vehicles, the location of taxi ranks and public transport facilities including night bus options. It is next to Colindale tube Station which is opened 24 hours Friday to Sunday. There will be a safe waiting area for customers inside the premises. There will be increased lighting inside the premises towards the end of an evening to affect the alertness of customers before they leave the premises.

d) The prevention of public nuisance

NOISE

Continued from previous page...

A noise management policy will be in place that sets out sound attenuation measures to prevent or control music, singing and speech noise breakout from the premises. No amplified music will be played on the external premises. All staff will be trained on the content of the policy to ensure a commitment to good noise management. DJs of amplified music will be made aware of the policy in advance of any performance. Doors will be kept closed whilst the premises license is in use to prevent noise breakout. Ventilation will be provided by mechanical means. Noise monitoring will be actively carried out on a regular basis and in particular when a complaint is made directly to the venue. There will be restricted use of external areas after 10pm. Door supervisors or staff will regularly monitor and manage the external areas to ensure that customers are not causing a disturbance to local residents. A physical barrier such as a rope will be used to mark the boundary of the area outside the premises where customers are allowed.

SMOKING

We will discourage smokers from loitering outside. Where this happens, we will provide floor mounted cigarette bins in designated smoking areas for customers. We will remove external furniture after a certain time.

LITTER AND WASTE

Flyers will not be distributed outside the premises..

e) The protection of children from harm

A documented policy setting out measures to protect children from harm will be in place at the premises. The policy will consider all activities associated with the premises including the sale of alcohol and the provision of regulated entertainment and when children should be allowed on or restricted from the premises. Children will be restricted after a certain time if they are unaccompanied by an adult. We will operate a strict 'No ID – No Sale' policy. 'Challenge 25' scheme serves as a reminder to staff of the need to be vigilant in preventing underage sales and to customers that it is against the law for anyone under 18 to purchase alcohol. A 'Challenge 25' scheme will give staff additional support and encouragement to ask for ID from any person appearing to be under 25 years of age to prove that they are over 18. They will only accept photographic driving licences, passports or PASS (Proof of Age Standards Scheme) cards approved as means of ID. If you accept other forms of ID such as EU National ID cards, these must bear a photograph, date of birth and holographic mark. We will use till prompts to remind staff to ask for proof of age. We will keep a refusals book (or refusal button on EPOS – Electronic Point of Sale) on the premises and ensure it is completed whenever a sale is refused to a person who cannot prove they are over the age of 18. This will be made available to Police and authorised Council officers on request. The Staff training in the age related sections of the Licensing Act 2003 will be provided to all staff. This includes the ability to competently check customers' identification where necessary.

Ayodele,

Following our conversation, I have addressed my typo's my email below and have made the amendments that you requested to the times which seem reasonable. As you said the Beaufort Pub have set a president in this area (although it is a few minutes' walk up the road), so typical quiet pub hours would be reasonable. I have added the condition re ambient music volume. As you will see I have also expanded on the condition in relation to your outside seating area (This include the covered mezzanine area) as I think this is a more reasonable compromise.

Ayodele,

Please see the proposal I have come up with below. This is what I would expect you would have more luck with achieving. This would make the premises a more restaurant based business as opposed to a bar/nightclub.

You would still have the option of applying for Temporary Event Notices for any special events you are looking to host. These will be looked and assessed on a case by case basis.

Please have a read through and let me know if you would be in agreement to amending the application in line with what I have put below. Roxanne from the Noise Team will contact you separately also if what I have put on here does not entirely address any concerns she may have.

Dear Barnet Council Licensing Team,

Please consider this letter to be a **formal objection** to the licensing application made for 2 **Charcot Road, London NW9 5WU** by a company known as **Very Good Entertainment Ltd.** I am a local resident, living in the neighbouring building of Charcot Road.

The licensing application claims that the intention is to operate the premises as a restaurant; however, I am concerned that the request for a late-night alcohol licence (until 2 am at weekends, 12 am on Thursday and 4 am at New Year), and similarly the requests to play recorded and live music and for dancing, **does not represent a true intention to operate as a restaurant.** Instead, this is to any fair-minded observer the description of a **nightclub.**

I strongly object to awarding a licence to these premises for **late night** alcohol and music. I have no objection to the premises operating as a restaurant until the sociable time of 11 pm, with alcohol and music provision if they so desire. This would be a reasonable request. However, it is **not reasonable** in a **residential area** to allow **late-night drinking and music.** A nightclub such as this will undoubtedly be a source of disturbances to local residents, from noise, anti-social behaviour, increased traffic and the like. It is for this reason that nightclubs are not usually opened in residential areas but in commercial areas instead, as I am sure you are aware.

The premises are surrounded on three sides by residential buildings. Residents of these buildings have already been suffering ongoing problems with anti-social behaviour and noise from The Stay Club, which shares the same building, and I am concerned that these will be exacerbated by the addition of late-night alcohol and music.

Finally, I believe that Barnet Council should have a duty to make it as easy as possible for residents to raise their objections to late-night venues opening in their areas, and yet no email address has been provided. Please in future provide an email address on the licensing notice.

I look forward to hearing from you.

With best wishes,

Naomi Attar

Fridays and Saturdays 07.00-02.00

Sundays 08.00-22.30

My main objection is that the late times requested for the sale of alcohol, permission to play recorded and live music and permission to dance will create a public nuisance.

The local area is predominantly residential, with many families with young children. The arrival and leaving of large numbers of customers after 10pm, especially after consuming alcohol will cause a public nuisance of loud noise at unacceptable times.

The premises are directly opposite 3 residential blocks so the noise will impact on a large number of residents.

There will also be the issue of extra traffic and noise from vehicles dropping off and picking up customers at unacceptable hours. There is also the issue of parking it will bring as it is already limited in and around the development.

My primary concern is the licensing hours the company have requested. The other restaurants in the local residential area serve alcohol and play music but operate at acceptable hours, the pizza restaurant in the development is open until 11pm and causes no noise issues. The newly opened Oriental Bang Bang is also open until 10pm. The restaurants in the Beaufort Park development are open until 11pm.

I hope you will take my concerns into account and I look forward to hearing from you regarding this matter.

Regards,
Mrs Tanuja Attar
