## **2. RELEVANT PREVIOUS DECISIONS**

## **3. CORPORATE PRIORITIES AND POLICY CONSIDERATIONS**

- 3.1 The Overview and Scrutiny Committees must ensure that the work of Scrutiny is reflective of the Council's priorities.
- 3.2 The three priority outcomes set out in the 2013 – 2016 Corporate Plan are: –

  - Support families and individuals that need it – promoting independence, learning and well-being; and
  - Improve the satisfaction of residents and businesses with the London Borough of Barnet as a place to live, work and study.
- 3.3 The work of the Barnet Health Overview and Scrutiny Committee supports the delivery of the following outcomes identified in the Corporate Plan:
- To sustain a strong partnership with the local NHS, so that families and individuals can maintain and improve their physical and mental health; and
  - To promote a healthy, active, independent and informed over 55 population in the borough to encourage and support our residents to age well.

## **4. RISK MANAGEMENT ISSUES**

- 4.1 None in the context of this report.

## **5. EQUALITIES AND DIVERSITY ISSUES**

- 5.1 Equality and diversity issues are a mandatory consideration in decision-making in the council pursuant to the Equality Act 2010. This means the council and all other organisations acting on its behalf must have due regard to the equality duties when exercising a public function. The broad purpose of this duty is to integrate considerations of equality and good relations into day to day business requiring equality considerations to be reflected into the design of policies and the delivery of services and for these to be kept under review. Health partners as relevant public bodies must similarly discharge their

duties under the Equality Act 2010 and consideration of equalities issues should therefore form part of their reports.

5.2 In addition to the Terms of Reference of the Committee, and in so far as relating to matters within its remit, the role of the Committee is to perform the Overview and Scrutiny role in relation to:

- The Council's leadership role in relation to diversity and inclusiveness; and
- The fulfilment of the Council's duties as employer including recruitment and retention, personnel, pensions and payroll services, staff development, equalities and health and safety.

## **6. USE OF RESOURCES IMPLICATIONS (Finance, Procurement, Performance & Value for Money, Staffing, IT, Property, Sustainability)**

6.1 None in the context of this report.

## **7. LEGAL ISSUES**

7.1 Section 244 of the National Health Service Act 2006 and Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013/218; Part 4 Health Scrutiny by Local Authorities provides for the establishment of Health Overview and Scrutiny Committees by local authorities.

7.2 Health and Social Care Act 2012, Section 12 – introduces section 2B to the NHS Act 2006 which imposes a new target duty on the local authority to take such steps as it considers appropriate for improving the health of people in its area.
