Report	Report of the Cabinet Member for Customer Access and Partnerships, Cabinet Member for Public Health and Cabinet Member for Environment, Decision Item 5 – Sport and Physical Activity Review Outline Business Case
Called in by	Councillor Barry Rawlings
Decision, Reason and Objective	Decisions:- All Reason for call-in:- The Outline Business Case is based on £600k of Public Health money that has not been agreed by the Health & Well Being Board (HWBB), has not been included in the Public Health Commissioning Plan even by DPR even though it is over £500k and therefore a key decision. Objective:- The objective is to refer back to Cabinet to check if the decision can go ahead without agreement by the HWBB and without a decision to include the spend in the Public Health Commissioning Plan. In addition for recommendation 1.2 to be changed from £186k from contingency to £786k.
