--	---

Following a meeting with the applicant and their agent, Joshua Simons, on Friday 7th March 2014. The Police still have concerns that there will be issues of crime and disorder if these premises are permitted to open the restaurant section 24 hours a day.

The premises have operated a 24 hour drive through service since 2011. At this time the Police raised concerns re these premises and other similar venues opening the restaurant areas. It was agreed that the operation would be a purely drive through one, whereby the operator could more readily control any difficult customers and refuse service with little risk of any direct conflict.

It is far easier to control a potentially violent situation if neither party is in direct contact with the other. This is the current position at the premises. All transactions between midnight and 5am are made via the intercom ordering system and served at the security hatch. There is no service to persons other than those in vehicles, hence it is very unlikely that people will loiter on foot in the area, or gather in groups once they have purchased their food.

This situation is more than likely to change if the restaurant opens 24 hours a day. The venue will then become more attractive to younger people who don't drive. It is also likely to become a meeting point where the less desirable elements of society will gather in the early hours of the morning.

It is far more difficult to prevent this and move these groups on once they have become ensconced inside the premises. In turn this is likely to lead to the Police being called to deal with these individuals.

The Police have considered suggestions of an "automatic number plate reader" (ANPR) and use of registered door supervisors from a company on the approved contractors list. It is unlikely that either of these measures would eliminate the likely increase in crime and disorder. However the Police would welcome their consideration if the Licensing Sub Committee decides to grant the application.

The Police respectfully request that the Licensing Sub Committee do not grant this application.

This is in order to promote the four licensing objectives and ensure that the public are not adversely affected by a 24 hour restaurant operation, and Police resources are not called upon to deal with incidents at the premises. The Police are concerned that these premises will become a focal point for local youths to gather and also adversely contribute to alcohol related crime and disorder.

Yours Sincerely,

Police Sergeant Mark ALTMAN
