The representation refers to the impact the granting of the variation application could have on the prevention of public nuisance licensing objective.

### Other representations

The licensing department have also received one representation submitted by Councillor Arjun Mitra. Cllr Mitra's representation refers to the impact the granting of the variation application would have on one or more of the licensing objectives.

The representation letters can be seen in full in **Annex 3** attached to this report.

## **5. Attaching conditions**

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that "The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant

representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

As far as I can see, the current permission for the use of the premises as a restaurant requires:

*The uses hereby permitted shall not be open to customers before 9.00am or after 11.00pm.*

*Reason: To safeguard the amenities of occupiers of adjoining residential properties.*

*The level of noise emitted from the any machinery plant hereby approved shall be at least 5dB(A) below the background level, as measured from any point 1 metre outside the window of any room of the nearest noise sensitive existing neighbouring property, at the time of this decision notice.*

*If the noise emitted has a distinguishable, discrete continuous note (whine, hiss, screech, hum) and/or distinct impulses (bangs, clicks, clatters, thumps), then it shall be at least 10dB(A) below the background level, as measured from any point 1 metre outside the window of any room of the nearest noise sensitive existing neighbouring property, at the time of this decision notice.*

*No machinery shall be operated on the premises before 11.30 am or after 11.30pm, on weekdays or before 11.30 am or after 11.30pm on Sundays*

*Reason: To ensure that the proposed development does not prejudice the amenities of occupiers of neighbouring properties.*

As such, we do object to any extension to the license which might contradict or compromise those conditions.

Hello

I have some concerns regarding this application, as I believe it could cause significant disturbance to neighbours. There are residential properties behind and above the restaurant, and I do not know of any precautions that are being made to reduce sound or vibrations. I have a particular concern about vibrations, as that particular section of the parade has a number of properties where plasterwork decorations have fallen off on to the pavement in recent times, causing a hazard to passers by. I fear this could lead to more of that. I also hope there will be strong conditions on the volume of noise permitted. I do not see why they should carry on past 11pm on any night, or before midday. I have serious concerns and objections to those hours.

I hope that, if this request is not refused, that it is only given a temporary permit for a trial basis, after which we can assess if it should continue.

Best wishes,

Cllr Arjun Kumar Mitra
