## LICENSING ACT 2003

### OFFICERS REPORT

#### Carluccio's, Unit 1A, The Spires Shopping Centre, Barnet, London EN5 5XY

#### 1. The Applicants

The application was submitted by Poppleston Allen LLP on behalf of Carluccio's Ltd, 35 Rose Street, London, WC2E 9EB.

#### 2. Application

The application before the sub committee was submitted under Section 17 of the Licensing Act 2003 for a New Premises Licence. The application seeks to allow the following:

- To allow the sale of alcohol for consumption both on and off the premises from 08:00hrs until 00:00hrs Monday to Sunday.
- To allow the provision of late night refreshment indoors only from 23:00hrs until 00:00hrs Monday to Sunday.
- To allow the premises to remain open to the public from 08:00hrs until 00:30hrs Monday to Sunday.

A full copy of the application can be seen in **Annex 1** attached to this report.

#### 3. Representations

##### Responsible Authorities

The licensing department have received a representation submitted by Sergeant Mark Altman on behalf of the Metropolitan Police.

The representation refers to the Sergeant Altman's request that the applicant installs a CCTV system in line with the minimum suggested standards. This is in order to fully promote the four licensing objectives and to ensure that the applicant takes all reasonable steps to promote the licensing objectives.

##### Other representations

No representations have been received by other interested parties.

The representation letters can be seen in full in **Annex 2** attached to this report.

#### 4. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be necessary in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that "The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

**Representations**

J) alcohol sale by retail	<b>Y</b>
L) Hours premises are open to the public	<b>Y</b>

The Police have requested that the applicant installs a CCTV system in line with the minimum suggested standards. This is in order to fully promote the 4 licensing objectives and to ensure that the applicant takes all reasonable steps to promote the licensing objectives.

The Police suggest that the installation of a CCTV system is appropriate and reasonable. Whilst the shopping centre covers the public areas and walkways, it affords no internal coverage for the actual restaurant site.

Following initial conversations with the applicant's solicitor the Police have been unable to reach an agreement.

It is my understanding that the solicitors are awaiting further instructions from their client. Unfortunately the last date for representations falls on the 21<sup>st</sup> May and the officer dealing with this case will not be available due to a period of leave.

Hopefully an agreement will be reached and the need for a hearing dispensed with.

Yours Sincerely,

Police Sergeant Mark ALTMAN

### **CCTV Conditions**

- Digital recording CCTV comprising a multi camera system.
- The head unit (recorder) for storing the images will store such data on a hard drive or a similar quality medium.
- A CD or DVD burner will also form part of the system to facilitate making copies of the images.
- If the head unit (recorder) is kept on the premises it must be located in a secure cabinet or other secure area, preferably out of the sight and reach of the public. The unit must be further secured by physical means to prevent anyone from merely picking up and removing the unit, e.g. a secure metal boot, or metal case strap, bolted to an immovable object like a wall or floor.
- The quality of the images must be of a sufficiently high standard to allow identification of the subject matter.
- Cameras will cover key areas identified by the operator and Police. These will include clear headshots of persons entering the premises, any bar areas, the till and entrance to the toilets.
- Images must be retained for a period of 31 days before overwriting.
- The images will be made available in reasonable time on demand by the Police and authorised officers of the London Borough of Barnet.
- At all times when the premises are open there shall be at least one person who is capable of operating the CCTV system if required to do so by the Police or authorised officers of the London Borough of Barnet.
- This system will be fully maintained at all times to ensure correct operation.
