1. Introduction

- 1.1 The Financial Regulations govern the way the Council undertakes financial forward planning, annual budget setting, budget monitoring and closing of the accounts. These aspects are set out in section 4: Financial Management.
- 1.2 The Financial Regulations also govern the way day to day financial administration is conducted and financial controls are exercised. These aspects are set out in section 5: Financial Administration.

2. Status of Financial Regulations

- 2.1 Financial regulations apply to every member and officer of the authority and anyone acting on its behalf. All members and officers have a general responsibility for taking reasonable action to provide for the security of the assets under their control, and for ensuring that the use of these resources is legal, properly authorised, provides value for money and achieves best value.
- 2.2 The responsibilities of the Chief Finance Officer are discharged by the Chief Operating Officer. Thus this post is responsible for the proper administration of the Council's financial affairs for the purposes of Section 151 of the Local Government Act 1972 (and all subsequent amendments). This includes responsibility for producing and updating these Financial Regulations.
- 2.3 The Scheme for Financing Schools governs School Governors, Headteachers and school staff of Maintained schools with delegated budgets. In these cases the Financial Regulations do not apply.
- 2.4 Where applicable consultants or agencies acting for the Council will be bound by these procedures and it should be a condition of their employment or engagement that they do so.
- 2.5 This should be used in conjunction with other points of the constitution, legal requirements and other codes of practice.
- 2.6 Chief Officers are responsible for ensuring that all staff in their departments are made aware of the existence and content of the authority's Financial Regulations and other internal regulatory documents, and that they comply with them. They must also ensure that either hard or electronic copies are available for reference within their departments.
- 2.7 Substantial breaches of Financial Regulations shall be reported to the Chief Finance Officer (section 151 officer) by the relevant Chief Officer and may be treated as disciplinary offences. Where the Chief Finance Officer (section 151 officer) considers it appropriate he/she will report to the next meeting of the Audit Committee any substantial breach of these Regulations that is identified.
- 2.8 These Financial Regulations shall not override any statutory provisions that apply.

- 2.9 The Chief Finance Officer (section 151 officer) shall be responsible for ensuring that the Council's continuing compliance with the Accounts and Audit Regulations 2011 and all relevant Accounting Codes of Practice and Auditing Standards.
- 2.10 These procedures shall be reviewed regularly by the Chief Finance Officer (section 151 officer) but at least every three years. The Constitution, Ethics and Probity Committee approve all amendments and summaries of changes resulting from the review. Relevant financial thresholds (e.g. write-offs, petty cash payments) should additionally be reviewed against inflation on an annual basis wherever possible.
- 2.11 The Chief Finance Officer (section 151 officer) is responsible for issuing advice and guidance to underpin the Financial Regulations that members, officers and others acting on behalf of the authority are required to follow.
- 2.12 Each Chief Officer is required to maintain a scheme of financial delegation in accordance with the minimum standards as determined by the Chief Finance Officer (section 151 Officer) or Nominated Deputy, and which accords to the financial limits included within the overall scheme of delegation and contract rules.

3. Responsibilities

- 3.1 Section 151 of the Local Government Act 1972 states that each local authority "shall make arrangements for the proper administration of their financial affairs and shall secure that one of their officers has responsibility for the administration of those affairs".
- 3.2 The "arrangements" include the Council's Financial Regulations, Contract Procedure Rules and the Scheme of Delegation (so far as it relates to financial matters). In approving those arrangements, Members are bound by the general principles of administrative law. The Council has an appointed Chief Finance Officer (Section 151 Officer). In performing his/her functions as the appointed officer, he/she shall seek to ensure that the management of the Council's financial affairs accord with the arrangements approved by Council subject to his overarching statutory duties. The Chief Finance Officer (section 151 officer) owes a fiduciary duty to the public to carry out those duties effectively and these cannot be overridden by the Council.
- 3.3 The responsibilities of the Council and Committees are set out in the Constitution: Responsibility for Functions.

4. FINANCIAL MANAGEMENT

4.1 BUDGET STRATEGY

- 4.1.1 The Budget Strategy, approved by Full Council, sets out the Council's approach on a range of issues, including:

- the way in which corporate service priorities are considered as part of the Council's capital and revenue budget processes;
- the level of balances and reserves (having taken account of advice from the Chief Finance Officer (section 151 officer));
- the management of financial risks

The setting of fees and charges and the Council's policies for the recovery of debt, which do not form part of the budget strategy are separately approved by the Policy and Resources Committee

4.1.2 The Budget Strategy and Medium Term Financial Strategy will normally be recommended by the Policy and Resources Committee to Full Council for approval at the start of each financial year.

4.2 MEDIUM TERM FINANCIAL STRATEGY

4.2.1 The Chief Finance Officer (section 151 officer), in consultation with the Chairman of the Policy and Resources Committee, will maintain a Medium Term Financial Strategy that covers a period of at least three financial years, including the current financial year.

4.2.2 The Medium Term Financial Strategy will be produced and reported in conjunction with the annual budget, council tax and rent proposals to the Policy and Resources Committee and Council before 11 March of the preceding financial year. Further updates on the Medium Term Financial Strategy may be reported during the year.

4.2.3 The Financial Forward Plan will cover revenue and capital budgets, and will highlight how resources are being re-directed to address Corporate Plan priorities.

4.2.4 In respect to resources, the Medium Term Financial Strategy will take account of the following:

- forecasts of formula and specific grants;
- increases in fees and charges, and the introduction of new charges;
- interest earnings;
- levels of reserves and balances;
- increased income from rents and council tax;
- capital receipts and grants.

4.2.5 In respect to expenditure, the Medium Term Financial Strategy will take account of the following:

- full year effects of previous decisions;
- changes in responsibility arising from new or amended legislation or regulations, net of increased income from new fees and charges;
- re-direction of resources to achieving Corporate Plan priorities and targets and away from non priority areas;
- forecast changes in service demand;

- forecasts of inflation, pay awards and interest rates;
- efficiency savings;
- planned service reductions;
- prudential borrowing;
- financial risks.

4.2.6 In that the Medium Term Financial Strategy has a three year horizon it is to be expected that figures in later years will often be preliminary estimates and/or aspirations of future decisions and changes in council policy.

4.3 ANNUAL BUDGET SETTING

4.3.1 The Council will publish a draft budget for consultation. Arrangements for budget consultation will be determined by the Council.

4.3.2 The Chief Finance Officer (section 151 officer) will set the council tax base for tax-setting purposes before 31 January of the preceding financial year, and notify precepting and levying bodies of this figure by this date. The Chief Finance Officer (section 151 officer) will, at the same time, notify all Council Members.

4.3.3 The Policy and Resources Committee will finalise its recommendations to Council on the revenue budget, council tax, capital programme and rent levels taking account of the results of budget consultation. This will normally be in February, following announcement of the Final Local Government Finance Settlement. [Theme Committees will work up proposals for consideration by the Policy and Resources Committee.](#)

4.3.4 Policy and Resources Committee's recommendations to Council must be made in time for Council to set the capital and revenue budget and council tax before 11 March of the preceding financial year.

4.3.5 The budget and capital programme that Policy and Resources Committee recommends to Council must be based on reasonable estimates of expenditure and income, and take account of:

- outturn forecasts for the current year;
- guidance from the Chief Finance Officer (section 151 officer) on the appropriate level of reserves, balances and contingencies;
- financial risks associated with proposed budget developments, reductions and ongoing projects;
- forecasts of capital receipts;
- affordability of prudential borrowing over the period of the council's financial forward plan;
- recommendations from the external auditor on matters such as the level of reserves and provisions.

4.3.6 The Chief Finance Officer (section 151 officer) shall advise the Council whether s/he is able to certify that the draft Budget contains robust estimates and reserves for the purpose of Section 25 of the Local Government Act 2003.

4.3.7 Fees and Charges

The budget recommended by Policy and Resources will incorporate the latest projection of income from fees and charges.

- 4.3.8 Policy and Resources Committee must approve changes to fees and charges that are significantly different from inflation, the introduction of new fees and charges, and changes to fees and charges outside the normal annual cycle.
- 4.3.9 Chief Officers may approve changes to fees and charges annually where the change is broadly in line with inflation. The date for annual increases need not be 1 April.
- 4.3.10 Alternative Budget Motions
Any member proposing to put forward to Council any amendment to the draft Budget or any alternative Budget should provide a copy thereof to the Chief Finance Officer (section 151 officer) at least 5 clear days before the Council meeting, so that he/she may advise Council whether the resulting amended or alternative Budget would provide robust estimates and reserves for the purpose of Section 25 of the Local Government Act 2003.
- 4.3.11 The alternative budget motion must set out the appropriate changes to the Policy and Resources Committee's recommendations as they affect the budget for the forthcoming year and any element of the Financial Forward Plan (e.g. balances, full year effects, council tax levels). The Chief Finance Officer (section 151 officer) may also require further information to be included if he/she considers it will improve the Council's understanding of the financial implications in the forthcoming or future years.
- 4.3.12 Any Member proposing to put an alternative budget motion to Council is responsible for ensuring it is received by the Head of Governance by the date set by the Head of Governance. It is also their responsibility to ensure they give the Chief Finance Officer (section 151 officer) sufficient time to fully validate their alternative budget proposals.
- 4.3.13 The Chief Finance Officer (section 151 officer) is responsible for validating any alternative budget motions put forward by Members. The Chief Finance Officer (section 151 officer) may require further information to be included in the proposal if he/she considers it will improve the Council's understanding of the financial implications in the forthcoming or future years.

4.4 BUDGET MANAGEMENT & MONITORING

- 4.4.1 Latest Approved Budget
The latest approved budget for a service or capital project is the budget determined by Council prior to the start of the year, as amended subsequently by approved variations in budget and capital financing throughout the year.
- 4.4.2 The Chief Finance Officer (section 151 officer) is responsible for maintaining the latest approved revenue and capital budget in accordance with the scheme of revenue and capital virement as set out below.

4.4.3 Making changes to the budget

Amendments to the revenue budget can only be made with approval as per the scheme of virement table below:

Virements for allocation from contingency for amounts up to £250,000 must be approved by the Section 151 Officer in consultation with appropriate Chief Officer
Virements for allocation from contingency for amounts over £250,000 must be approved by Policy and Resources Committee
Virements within a service that do not alter the bottom line are approved by Service Director
Virements between services (excluding contingency allocations) up to a value of £50,000 must be approved by the relevant Chief Officer
Virements between services (excluding contingency allocations) over £50,000 and up to £250,000 must be approved by Chief Officer and Chief Finance Officer in consultation with the Chairman of the Policy and Resources Committee and reported to the next meeting of the Policy and Resources Committee
Virements between services (excluding contingency allocations) over £250,000 must be approved by Policy and Resources Committee

Capital Virements
Performance and Contract Management approval is required for all capital budget and funding virements and yearly profile changes (slippage or accelerated spend) between approved capital programmes i.e. as per the budget book. The report must show the proposed: i) Budget transfers between projects and by year; ii) Funding transfers between projects and by year; and iii) A summary based on a template approved by the Section 151 Officer
Funding substitutions at year end in order to maximise funding are the responsibility of the Section 151 Officer.

4.4.4 Budget Monitoring

- 4.4.5 Chief Officers are required to notify the Chief Finance Officer of all underspends, over-recovery of income or windfall benefits arising within their revenue and capital budgets. Where these occur they should in the first instance be returned to central contingencies unless regulations specify restrictions on their use which make this inappropriate or the underspend, additional income or other financial benefits are to be used to offset uncontrollable overspends elsewhere within the service. Where these exceptions occur, the chief officer is responsible for notifying the Chief Finance Officer that this is to occur.

4.4.6 Budget Monitoring – Revenue

- 4.4.6.1 Chief Officers should ensure that their revenue cost centre managers do not enter into commitments before satisfying themselves there is sufficient approved budget provision. Chief Officers have no authority to overspend revenue budgets, or under-recover income budgets under their control, and are responsible for monitoring their budgets to ensure this situation does not arise.
- 4.4.6.2 It is the responsibility of Chief Officers to notify the Chief Finance Officer (section 151 officer) of forecast revenue budget or capital project overspends regardless of whether offsetting savings or additional income have been identified.
- 4.4.6.3 Having notified the Chief Finance Officer (section 151 officer) of a forecast revenue budget overspend, the Chief Officer must submit proposals to the Chief Finance Officer (section 151 officer) for offsetting the forecast overspend, together with an assessment of the impact these corrective actions will have on service delivery and performance targets. Approval to these budget variations will be in line with the scheme of virement.
- 4.4.6.4 When notifying the Chief Finance Officer (section 151 officer) of such a situation, Chief Officers must advise if the problem relates solely to the current financial year or needs to be addressed within the financial forward plan as well.
- 4.4.6.5 Chief Officers are required to notify the Chief Finance Officer (section 151 officer) of all revenue underspends, over-recovery of income or other financial benefits arising within their revenue budgets. Where these occur they should in the first instance be returned to central contingencies unless regulations specify restrictions on their use which make this inappropriate or the underspend, additional income or windfall is to be used to offset uncontrollable overspends elsewhere within the service. Where these exceptions occur, the Chief Officer is responsible for notifying the Chief Finance Officer (section 151 officer) that this is to occur.

4.4.7 Budget Monitoring – Capital

- 4.4.7.1 Forecast overspends on approved capital projects must be communicated to the Chief Finance Officer immediately. Having notified the Chief Finance Officer (section 151 officer), the Director or Head of Service must submit options to the Chief Finance Officer (section 151 officer) for offsetting the forecast overspend (e.g. by reducing the project specification, or budget for other projects) and/or identifying additional funding.
- 4.4.7.2 Due to the uncertainty around the generation and timing of capital receipts, and the impact that delays could have on the level of prudential borrowing, capital project managers must obtain the prior approval of the Chief Finance Officer (section 151 officer) before entering into any individual capital commitment on an approved capital project over £1m.

4.4.8 Central Contingency

The Chief Finance Officer (section 151 officer) will determine which budget developments are to be held within the central contingency.

4.4.9 Allocations from the central contingency relating to planned developments will be approved by the Chief Finance Officer (section 151 officer), in consultation with the Chairman of the Performance and Contract Management Committee, following the receipt from a Chief Officer of a fully costed proposal to incur expenditure that is in line with planned development (including full year effect). Where there is a significant increase in the full year effect, the contingency allocation must be approved by the Performance and Contract Management Committee.

4.4.10 Allocations from the central contingency for unplanned expenditure, including proposals to utilise underspends previously generated within the service and returned to central contingency, will be approved by the Chief Finance Officer in consultation with the Chairman of Performance and Contract Management . Where there are competing bids for use of underspends, additional income or windfalls previously returned to central contingency, priority will be given to the service(s) that generated that return.

:

4.4.11 Allocations for unplanned expenditure over £250,000 must be approved by Performance and Contract Management Committee.

4.4.12 Budget Monitoring – reporting

4.4.13 The Chief Finance Officer (section 151 officer) will report in detail to Performance and Contract Management Committee at least four times a year, at the end of each quarter, on the revenue and capital budgets and wider financial standing.

4.4.14 Reports on the revenue budget will normally include:

- a revised forecast outturn including details as part of which, Chief Officers will inform Performance and Contract Management Committee:
 - i) of those cost centres for which they are responsible that are projecting net overspends or underspends either over £100,000 or over £50,000 where the cost centre's gross budget is less than £1m; and
 - ii) of the actions proposed to ensure that these overspends or underspends are not realised.
- advice from the Chief Finance Officer (section 151 officer) on whether action is required to address any diminution in reserves and, if necessary, proposals and/or options for action that needs to be taken.

4.4.15 These reports will make recommendations for varying the approved budget (revenue and capital) in the following circumstances:

- allocations from the central contingency for unplanned expenditure over £250,000, or for planned expenditure where there are significant full year effects;
- underspends and windfall benefits returned to the centre;

- increases in service revenue budgets where overspends are considered unavoidable and cannot be contained within the overall budget managed by a Chief Officer;
- variations in capital project budgets;
- additions to the capital programme outside of the main budget cycle.

4.4.16 Authorisation of Non-Budgeted Expenditure

In cases of urgency or emergency, the Chief Finance Officer (section 151 officer) may approve revenue or capital expenditure in excess of the latest approved budget.

4.4.17 The Chief Finance Officer (section 151 officer) may approve revenue or capital expenditure not provided for within the latest approved budget if satisfied that:

- the expenditure is wholly reimbursable to the Council; or
- compensatory savings have been identified; and
- there are no significant full year effects.

In all circumstances, the expenditure must be consistent with the Corporate Plan and management agreements and should be reported to the next Performance and Contract Management Committee meeting.

4.4.18 Chief Officers, in consultation with the Chief Finance Officer (section 151 officer), should be encouraged to explore all feasible options that maximise external funding available to the Council. External funding covers bids to Government and other organisations that are offering funding for projects that meet certain criteria. It also covers contributions being sought from participating organisations and individuals, from either public or private sources.

4.4.19 Chief Officers must provide the Chief Finance Officer (section 151 officer) with details of all bids for external funding. Bids will follow the requirements of the Council's investment appraisal process. In particular, the following information must be provided:-

- how the bid supports achievement of Corporate Plan targets;
- whether the bid is for capital and/or revenue funding;
- revenue and capital matched funding contributions required from the Council, and how these will be identified;
- revenue and capital matched funding contributions required from other organisations and individuals, how these amounts will be secured, and the risks associated with them;
- an 'exit strategy', which sets out how budgets will be adjusted after the grant expires;
- where the bid is for revenue funding:-
 - whether this is to support existing levels of activity or enhanced / new activities;
 - proposals for reducing the activity OR incorporating it in the base budget once the external funding is exhausted;
- where the bid is for capital funding :-

- whether an asset will be created, and if so, how this fits in with the Council's Asset Management Strategy;
 - how the ongoing cost of maintaining the asset will be funded;
 - whether the asset can / will be disposed of at a later date.
- 4.4.20 Chief Officers must not commit expenditure on projects requiring matched funding contributions until the external funding has been confirmed, unless approval has been given by the Chief Finance Officer (section 151 officer). Decisions to proceed ahead of confirming external funding will be taken after assessing all relevant risks. The Chief Finance Officer (section 151 officer) has the right to refer the decision to the Policy and Resources Committee.
- 4.4.21 Chief Officers must advise the Chief Finance Officer (section 151 officer) of all grant and subsidy notifications as soon as they are received. Where the amount notified is greater than the budget, the excess will be deemed a windfall and should in the first instance be returned to the central contingency unless regulations specify restrictions on their use which make this inappropriate or the underspend, additional income or windfall is to be used to offset uncontrollable overspends elsewhere within the service. Where the amount notified is less than the budget, the Director or Head of Service must notify the Chief Finance Officer (section 151 officer) of options for containing any potential overspend.
- 4.4.22 Where external funding is applied for, it is the responsibility of the Chief Officer to ensure that the monies are received from the paying body and, wherever possible, received ahead of the planned expenditure being incurred by the Council.
- 4.4.23 Chief Officers must ensure that all conditions associated with external funding are met and that information and evidence required to complete grant and subsidy claims are provided on time.
- 4.4.24 Chief Officers are responsible for ensuring that they comply with all requirements for the audit of external funding where applicable.
- 4.4.25 Full year Effects
In preparing any estimates of expenditure and income, Directors and Heads of Service must give proper consideration to full year effects.
- 4.4.26 Annual Governance Statement
Chief Officers must support the work on corporate risk management led by the Monitoring Officer, contributing to the production of the Annual Governance Statement that has to be published alongside the Statement of Accounts. Details of this are set out in the Code of Corporate Governance.
- 4.4.27 Partnership Working
Before entering into a partnership with another organisation that involves pooling some of the Council's revenue and/or capital budgets, the Chief Officer must ensure that adequate financial controls are in place. A financial risk assessment must also be prepared and monitored over time.
- 4.4.28 General Requirements

Chief Officers must consult the Chief Finance Officer (section 151 officer) at an early stage on any current or future matter or decision that has financial implications that are not incorporated in the Financial Forward Plan or could impact on the Medium Term Financial Strategy.

- 4.5.2 Chief Officers are responsible for ensuring that they and their staff adhere to the timetable and requirements set out by the Chief Finance Officer (section 151 officer) for the closing of accounts, and provide any information and evidence required in relation to this.
- 4.5.3 The Statement of Accounts will be prepared in accordance with the CIPFA Code of Accounting Practice, which includes the deadline for their production and the requirement to include an Annual Governance Statement (AGS).
- 4.5.4 Chief Officers must provide on time any information and evidence the Chief Finance Officer requires to close the accounts and complete all grant and subsidy claims.
- 4.5.5 In closing the accounts, the Chief Finance Officer (section 151 officer) may amend the originally approved funding of revenue and capital services and projects if this is to the Council's financial benefit.
- 4.5.6 The Annual Audit Letter includes the external auditor's report and opinion on the audit of the accounts, as well as comments and recommendations on whether the Council provides Value for Money. seek to achieve those policies and objectives, and prescribing how it will manage and control those activities.
