# Officers Report

# LICENSING ACT 2003

## OFFICERS REPORT

### Euro Food Market, 1 High Street Barnet,

#### 1. The Applicants

The application was submitted by Arulshalini Sureshan, 7 White Gates, 100 Station Road, New Barnet, EN5 1QB.

#### 2. Application

- To allow the supply of alcohol off the premises only from 07:00hrs until 01:00hrs the following morning Monday to Sunday.
- To allow the premises to remain open to the public from 07:00hrs until 01:00hrs the following morning Monday to Sunday.

A full copy of the application can be seen in **Annex 1** attached to this application.

#### 3. Application process

The applicant has been in discussions with Sgt Mark Altman on behalf of Metropolitan Police to the inclusion of various conditions in their application. I can confirm that the applicants agreed to amend their application in order to show the following conditions:

- a) Digital recording colour CCTV comprising a multi camera system.
- b) The head unit (recorder) for storing the images will store such data on a hard drive or a similar quality medium.
- c) A CD or DVD burner will also form part of the system to facilitate making copies of the images.
- d) If the head unit (recorder) is kept on the premises it must be located in a secure cabinet or other secure area, preferably out of the sight and reach of the public. The unit must be further secured by physical means to prevent anyone from merely picking up and removing the unit, e.g. a secure metal boot, or metal case strap, bolted to an immovable object like a wall or floor.
- e) The quality of the images must be of a sufficiently high standard to allow identification of the subject matter.
- f) Cameras will cover key areas identified by the operator and Police. These will include external cameras covering any outside area used by patrons of the premises, the external entrance and exit doors, clear headshots of persons entering the premises, approach route to the toilets, the bar and till areas and other areas not in full view from the bar.
- g) Images must be retained for a period of 31 days before overwriting.
- h) The images will be made available in reasonable time on demand by the Police and authorised officers of the London Borough of Barnet.

- i) At all times when the premises are open there shall be at least one person who is capable of operating the CCTV system if required to do so by the Police or authorised officers of the London Borough of Barnet.
- j) This system will be fully maintained at all times to ensure correct operation.

A full copy of this agreement can be seen in **Annex 2** attached to this report.

#### **4. Representations**

##### Responsible Authorities

No representations have been submitted by any responsible authorities.

##### Other representations

The licensing department have received 17 representations submitted by members of the public, one of which has a petition with 136 signatures.

The objections refer to issues of crime and disorder and public nuisance if this premise is permitted to supply alcohol.

There are also other issues not relating to the licensing objectives such as too many of a single type of premises in one area.

The representation letters can be seen in full in **Annex 3** attached to this report.

#### **5. Officer Comments**

Included in this report are the letters that were sent to the applicant and objectors informing them that the application process had been reset and that all objections would need to be resubmitted. Also included in this report is a photo of the notice displayed on the premises and the ad placed in the newspaper both showing correct activity times and representation end date. All these can be seen in full attached to this report in **Annex 4**.

The licensing Act 2003 does not allow issues relating to an area being saturated with one type of premises to be considered when determining a licence application.

## **6. Attaching conditions**

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be necessary in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council’s Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

Dear Sir

We are writing to again express our concern regarding the application for a licence to sell alcohol at the premises on Barnet High Street at the corner of Bedford Avenue and the High Street.

As long term residents of Bedford Avenue we are very concerned about this proposed development. We feel it is quite unnecessary given that both Hillside News next door and Euro Food and Wine already hold licenses which have already had a negative impact on the local area.. Creating such an 'alcohol hot spot' at the beginning of a residential street is wholly inappropriate and will only encourage further unwanted on street drinking in the immediate area around the junction. This corner , including the dentist car park, already attracts very unwelcome drinking activity and there is a serious and growing associated litter problem both at the corner and along the street. We are regularly required to pick up empty beer cans and bottles along the length of the road. The close proximity to the local girls comprehensive school would also suggest such a development would be wholly inappropriate.

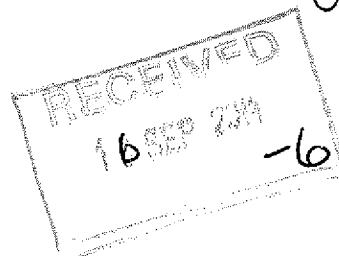

We therefore feel that this application raises issues under several of the criteria mentioned on your web site. It is potentially harmful to children given the proximity to the school; it increases the risk of disorderly behaviour in a residential area; it increases the risk of a public nuisance through the generation of increased litter and unsociable activity.

We note that the proposed opening hours are now longer than in the original application. This only adds to our concerns of unruly behaviour as people collect alcohol at unsociable hours and create noise and disruption to local residents in the small hours of the morning. We can see no justification for a further licence to be granted which we are certain would prove wholly detrimental to the character of the local community.

Please can you confirm receipt of this objection.

Yours faithfully

Mr JM and Mrs BM Rose

The Licensing Officer  
London Brough of Barnet,

Dear Sir/Madam

With reference to your public notice of liquor licence application, I am writing to register my objection to the application for premises liquor licence by 1, High Street Barnet En55Ue. The basis for this opposition is that granting a new liquor licence for this premises might not promote the licensing objective, particularly it might increase the prevention of crime, disorder and antisocial behaviour

High Barnet is a residential Area, and enabling the premises to sell alcohol would be totally harmful for this local Area. The application proposes that alcohol will be sold for consumption off the premises between 7:00am to 1:00am, seven days a week. Granting a licence would provide a more source of alcohol within an area, we already heavily populated with off licensed premises would increase anti social behaviour.

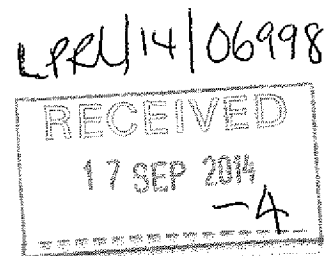

I am student and also working for a hotel as a part time employee, and often I come after work late nights, I see some of drunken guys sit on the corner of Bedford Avenue and also I see some broken glasses on the street. Me and residents this area already suffers noise nuisance and antisocial behaviour at all hours of the day and night and also I ~~also~~ suffer from noise nuisance when I do my private studies at late nights in my room.

In view of the above, I would urge the Licensing Authority to refuse the application.

Thank you in advance,

Yours,

Sincerely,

Barnet Licensing Department,

Dear Sir/Madam,

I have come to know that Euro Food & Wine, No.5 High Street Barnet, has applied for Liqueur Licensing to sell Alcohol from Monday to Sunday from 7Am. to 1Am. at No.1 High Street, Barnet, EN5 5UE.

There have lot of trouble at late nights by drunkard hanging around, smash the Bottles and disturbed the public, who passing by High Street from High Barnet Under Ground Station and People who come back Home at late nights from Work, due to late Night opening of Euro Food & Wine, No.5, High Street, Barnet. If No.1, Euro Food Mart get the Liqueur Licence, It would make the problem worse.

There is Queen Elizabeth Girls School just on the other side Barnet College is only 200 yards away and is a Residential area. It would make under aged Girls & Boys to buy asking Adults to buy for them. The place would become a rough Area due to late night opening of both Shops No 1 and No.5, High Street, Barnet.

Please take full consideration of public objection and take a good decision which is good for the Public and Environment.

Thank you.

Yours Faithfully,

....

Dear Sir/Madam

I wish to make representations against the application to sell alcohol from 7am - 1am at 1 High Street, Barnet, on the grounds that this will encourage drinking parties to take place in either the car park behind the shops or the Dentist's forecourt in Bedford Avenue.

This will create anti-social behaviour and will endanger young people who travel home on the late buses or trains to High Barnet. It will also become a tip for empty cans or bottles.

I think this is very important for all those who live in Bedford Avenue and the roads either side of Bedford Avenue.

Yours sincerely,

Licensing Team

Re License Application for:  
Euro Food Mart  
1 High Street  
Barnet  
Herts EN5 5UE

I wish to object to the granting of a Premises License at the above address for the following reasons:

1. The extent of the licensing hours i.e. Mon – Sun 0700 hrs – 0.100 hrs
2. A probable increase in anti-social behaviour and noise until late at night
3. Increased litter in the street and front gardens of local houses

I hope this license application will be rejected.

Yours faithfully

Dear Sir/Madam,

I am writing in connection with the licensing application for 1 High Street Barnet and their late night sale of alcohol.

I live in Normandy Avenue, and walk home each evening from the tube station along Bedford avenue. On that corner there are often people hanging about, and also at the entrance to the car park, and gathering at the back of the dentists at the start of Bedford Avenue. I do feel unsafe on occasions walking past, and sometimes there are groups of rowdy youths with cans walking down Bedford Avenue late at night.

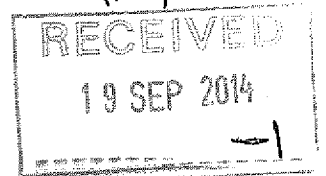

Whilst they may not be doing anything illegal, there is some graffiti from time to time, and some smashed bottles and discarded takeaways.

I do not know how a third off license on the corner of Bedford can have any positive outcome for the residents, and I fear it will become a hub for more like-minded anti-social behaviour, enjoying cheap alcohol, and making the residents feel unsafe until 1am, seven days a week.

Dear Sir

LICENSING APPLICATION, 1 HIGH STREET, BARNET, HERTS

I objected to the previous application to sell Alcohol at this address and I now restate my objection.

I believe this to be commercially IMPROPER. The Applicant is already selling alcohol at No 5 High Street and is clearly attempting to harm the owners of No 3, who have been in business for many decades.

Unquestionably, the present application would lead to more noise and inconvenience to local residents (particularly at night) and probably to more antisocial behaviour.

I ask you to NOT APPROVE the Application.

Yours faithfully

Dear Sir/Madam,

It is with considerable concern that I learn, that 'Euro Food Mart' is hoping to get the above mentioned license.

This area of Barnet has already got plenty of establishments selling alcohol. Further more, the immediate residential area would suffer unduly due to possible antisocial behaviour and unsuitable noise level at night. This is not an area full of retired people, for whom it could be said, that nocturnal disturbance won't matter – on the contrary, there are lots of children, who need to go to school in the morning, and many a parent is a working parent.

I urge you not to grant the above mentioned license.

Dear Sir

**1 High St Barnet, EN5 5UE**

I believe the application for the above premises to which I objected in July was over ruled but due to a mistake it is now applying again for a liquor licence. However this time the time during which alcohol will be available is from 7am until 1am.

There are already 2 shops immediately next door which sell alcohol so another is not required. The fact this shop intends to be open until 1am is highly likely to create a nuisance to the local residents and will greatly increase the detritus and drunks in the area. One only has to go to the tube station in the early morning to witness the rubbish and people begging.

I trust you will give these objections serious consideration.

Yours faithfully

Dear Sir or Madam,

re Euro Food Market,1 High Street Barnet

I object to this application on the grounds that an off-license on this corner will attract groups of undesirables who will hang around on the pavement outside the shop and in the driveways round the corner in Bedford Ave.,and who pedestrians going about their lawful business will have to pass.This will be made worse by the very late hour that they wish to stay open to,namely 1 am.

Peter M Holland

Dear Madam or Sir,

## I WOULD LIKE TO SPEAK IF IT GOES TO A LICENSING MEETING

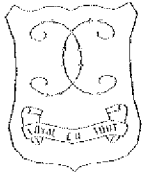

I am very concerned that an application for yet another licensed premises is being considered in our area! Euro Stores already has a Licensed Premises at number 5 High Street Barnet and also Hillside News at number 3 has a license so it seems to me yet another premises will just add to the misery caused by the noise of drunken people and the odd occasion that extra noise from breaking bottles and other anti-social behaviour, such as using our garden as a toilet, brings to the disturbance of our sleep!! I have to also mention the stream of cars and the noises they bring as well!

Also I notice that the application is until 1am which is especially worrying to me! We are next to High Barnet tube station and do get disturbed by people coming off the trains late at night and waiting for taxis or lifts outside our building. The possibility that they will be able to get more drink at that time of the morning will just add to their drunkenness and although licensed premises are not meant to sell to drunken people I have been told that it happens! I do believe that numbers 3 & 5 High Street are only selling alcohol up to 11pm which, although we're not happy about it, we have to accept.

Many years ago we did tell the police about the problems these people cause us, but it was pointless because by the time they had got to us the people had moved on, and the later it is the less likely the police are likely to get to us and obviously we are expected to stay up to wait for them to be interviewed!

I do hope you will take into consideration my concerns and I look forward to hearing from you if this application goes to a meeting.

Yours faithfully  
Steve Gray

Development & Regulatory Services  
The London Borough of Barnet

North London Business Park  
Oakleigh Road South  
London N11 1NP

Dear Emma Phasey,

**RE: New Premise Licence Application Euro Food Market, 1 High Street, Barnet, ENS 5UE**

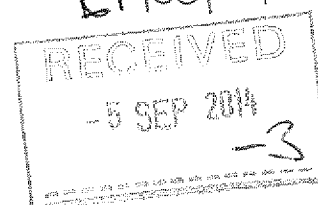

I would like to object to the above application on the following grounds:

1. Bedford Avenue and the roads above and below it are residential streets at the southern end of the high street and should be treated as such. Selling liquor at the end of a residential street is asking for trouble. This corner already attracts unwelcome drinking activity and this will make it worse.
2. We already see discarded cans and broken bottles littering the street, opening another liquor store will only add to this.
3. A plan to keep a liquor store open beyond 10:30 or 11:00 pm is antisocial and encouraging rowdy behaviour in a residential area and is not acceptable.
4. Youths will gather on the corner of a residential street drinking late into the night – this is unacceptable.
5. I have had my car window smashed and the car stolen (last October – reported to the Police) very late at night/early morning and attracting people to drink late at night in a residential area will add to this. (We have had others incidents of car windows being smashed and wing mirrors broken and my car was stolen again in March.)
6. The location is near a station and on a commuter route so people drinking will disturb passengers coming home late at night, leading to possible violence and bad behaviour.
7. This is opposite a local school – what is the message the council are promoting to young children by opening liquor stores in this location?

So I can see no justification for a further licence to be granted which I am certain would prove wholly detrimental to the local community.

Yours sincerely,

Terry Cakebread

Dear Sir/Madam,

**Objection to Liqueur Licensing Application**  
**at Euro Food Mart 1, High Street Barnet**

With reference to your Public notice of Liqueur Licensing Application to sell Alcohol From Monday to Sunday from 7Am.upto 1Am.at "Euro Food Mart" 1 High Street, Barnet, EN5 5UE next to "Hill Side News" 3 High Street, Barnet, EN5 5UE. We would like to submit our objection against the application.

There already have too many complains by the Residence of Bedford' about drunkard hanging around by Bedford Avenue and through bottles on the pay reet and in front of their Houses and spoil the peaceful Environment due to extended opening hours (from 6.30Am. up to 1.30Am.) of "Euro Food and Wine" 5 High Street, Barnet, Herts., EN5 5UE. The same Owner now submitted Liqueur Licensing Application under his Wife's name Arulshalini Sureshan to sell Alcohol from Monday to Sunday from 7Am. up to 1Am.at the corner of Bedford Avenue, "Euro Food Mart" 1 High Street, Barnet, Herts., EN5 5UE. It would make the problem worse and it would be inconvenience to public who pass by at late Nights and Residence who live nearby due to late night Selling Alcohol after 12 Midnight.

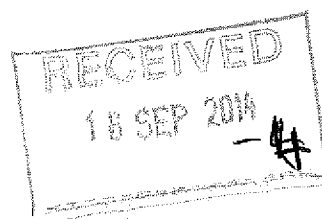

I herewith attached a list of Public objection contains 6 pages of their names Address, Signatures and Telephone numbers or Email Address against the Liqueur Licensing Application to sell Alcohol from Monday to Sunday from 7Am. up to 1Am.at "Euro Food Mart" 1 High Street, Barnet, Herts., EN5 5UE. There is Queen Elisabeth Girls School in front of the Promises; Vale Drive Medical Centre is nearby, Dental Surgery at Bedford Avenue is attached with the promises and is a residential area. It would make more temptation to under aged School Children to get Alcohol when there is a Shop Selling Alcohol in the corner and it would be inconvenience to public and School Children who pass by.

We have already made complain to the Barnet Councillor dated 3<sup>rd</sup>.Sept. 2014; regarding this mater. Please be kind enough to investigate this mater and take proper action against opening an off-licence at Euro Food Mart,1, High Street, Barnet, Herts., EN5 5UE as soon as possible. We look forward to hear a better decision which the Public can accept.

Thank you

Yours Truly

Dear Mr David Lee

**RE: New Premise Licence application  
Euro Food Market, 1 High Street, Barnet, EN5 5UE**

Today it was brought to our attention that the notices on display at the premises and in the newspaper were displaying incorrect times for the licensable activities. The applicant applied for 07:00hrs – 01:00hrs Monday to Sunday for alcohol sales off the premises, however on the notice placed both on the premises and in the local newspaper the applicant noted the times as 07:00hrs – 23:00hrs Monday to Sunday for alcohol sales off the premises.

I have consulted with legal services on this matter and after consideration it has been deemed the decision to grant the licence is null and void due to a proper consultation not being carried out. Legal stated:

“The Panel had no authority to hear it in view of the procedural irregularity. The Licensing Act does not include specific provision about the Notices although it does say that the application must be correct before the Licensing Authority accepts it, and the clock starts running for the consultation period. The application, on the basis that it includes the Notice, was not correct. Similarly the consultation did not start as the Notice was wrong. There was no valid consultation. The High Court considered such irregularities in the “Funky Mojo” case. The notice of review did not contain a full summary of grounds and three sentences were in a smaller print than required. It was accepted by the Court that the level of irregularity had to be considered before it made any decision null and void. In this instance both errors were found to be minor and as such did not invalidate the decision. In this instance however I think that the insertion of an earlier (by 2 hours) time to stop selling alcohol would not be described as minor and therefore the error must be fatal to the application”

Therefore it is deemed that the consultation did not correctly take place meaning the application was not valid and the licence is deemed not granted. Therefore the applicant has to begin the consultation again. The new consultation will begin with an agreed start date between the applicant and the licensing team and will run for 28 days as stated in the licensing act 2003. The applicant will need to place a new notice in both the local newspaper and on the premises and it must contain the correct times, activities and representation end date.

Yours sincerely
