Dear Ms Peacock & Mr Tompkins,

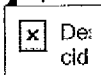

I thank you both for the information and the agreements however after consulting our legal the hearing must still take place and as such you must explain the agreements and how they protect the four licensing objectives please see below my legal advisors point.

"I think that the hearing must go ahead. If the application for a summary had been withdrawn it would have been different. If an new application is made it may be amended to include the terms of any agreement without a hearing, but the Police request for a review does not amount to a request for specific conditions which can be varied to avoid a hearing. I think therefore that the parties will need to explain the proposed terms".

Kind regards

Statement of: PC 349 SX WILCOCK

Age if under 18: (if over 18 insert 'over 18') Occupation: Police Officer

This statement (consisting of page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Witness Signature: Date: 10/12/2014

I am PC 349 SX Wilcock currently attached to West Finchley Neighbourhood Police Team on Barnet Borough.

I have previously worked with Sergeant Mark Altman who is the licensing officer for the Borough and have conducted licensing visits and research on licensed premises including McGowan's at 26-28 Cricklewood Lane, London, NW2 1HB.

There have been a series of crimes and incidents between August 2013 to November 23rd of this year. The venue is a crime hot spot and seems to be spiralling out of control. Taking into account the history of the premises, and the lack of engagement with the Police suggestions. It is the view of the Police that all reasonable measures have been taken and these have now been exhausted. The Police have lost faith in the ability of the owner and management team to run these premises and were left with no other practical option than to submit an application for an expedited/summary review. If the Police had failed to take immediate steps to control the premises, someone was likely to end up being seriously injured, or even killed.

Also in the same time frame there have been 5 different Designated Premises Supervisors (DPS), there has been no change of ownership from Mr John McGOWAN (JDM Investments Ltd) and most incidents are dealt with by his area manager Terry Kelly.

The various DPS's in chronological order have been Arleene WILTSHIRE, Camelia Viorica MIHOC, David Kevin STANDEN, Edward SHERLOCK and Niall O'REGAN who has been the current DPS since April of this year.

These premises have changed DPS on more occasions than any other premises I have known. It is literally unprecedented in Barnet Borough, and is a reflection on the poor management and inability to retain staff at this venue which has in turn lead to the number of offences and problems that these premises cause the Police.

There have been numerous occasions when the premises have been left without a designated premises supervisor effecting day to day control. The current DPS is apparently on long term sick and has been working at head office for several months. No replacement has been found and the company response was that they thought this was an acceptable practice.

In addition to the regular ward visits made by the Childs Hill Neighbourhood Team, other significant visits have been made by Sergeant ALTMAN, Sergeant CHERRY & Myself on 11th October 2013, 14th November 2014 by PC Carl MERCER & 20th November 2014 by Special Constable Shane CLARKE & acting Police Sergeant Mark FRAMPTON. On each occasion there has been no DPS at the premises and a number of other Licensing irregularities were noted which are either a breach of the Licensing Act 2003 or a failure to comply with the conditions of the premises licence. These include:

- a) Failure to keep premises licence or certified copy at the premises Sect 57(4)
- b) Failure to display a summary of the premises licence Sect 57(4)
- c) Failure to produce licence or certified copy to constable or authorised person for examination sect 57(7) and breach of conditions:

Continuation of Statement of:

condition 8. Notices shall be displayed at the exit to the premises asking customers to leave quietly,

condition 9. The existing CCTV system shall continue to operate for the hours shown on this premises licence,

condition 10. Notices stating that the CCTV is in operation shall be displayed throughout the premise,

condition 11. Any persons who appear to be intoxicated will not be allowed entry to the premise,

condition 16. All instances of crime and disorder shall be reported to the Police and shall be kept in an incident log book which shall be monitored by the Area Manager.

The Police have paid visits, spoken in person and also on the telephone, and sent e-mails to the various managers and staff, the area manager and the owner. This has all been done in an attempt to resolve the issues without the need for formal action. The CCTV system has regularly been found not to be working, when investigating officers have required copies to assist with their enquiries.

Following incidents in April and May 2014, and after a number of telephone and e-mail exchanges.

The DPS Niall O'REGAN and are manager Terry KELLY were requested to attend the Licensing Office at Colindale Police Station. This meeting was called for by Sergeant Altman. Neither Mr KELLY nor Mr O'REGAN made the appointment, and later Mr KELLY claimed that they had been waiting at the pub for Police. The request to attend the Police station is contained in 2 e-mails sent by Sergeant ALTMAN to Terry KELLY on the 8th and 9th May of this year.

In the previous 15 months here have been 21 recorded crimes, 19 of these are for violent offences, and 9 CAD calls which did not generate a crime report. This has been viewed by Police

"T" 23/11/2014 Crime report No: 2426402/14 linked to 2426329/14 & 2426417/14 (same suspect) CAD 3461 Criminal Damage "Anna BUSSE bar staff appears to be in charge as Nick SICKA is on Police bail and not allowed in the pub. Officers attended McGowan's pub, a male SUS has entered the pub, covering his face with a hoodie on picked up a stool and threw it at the bar counter area, breaking the above lamp hanging from the ceiling, he did this with 3 stools and broke 3 different headlamps. As a result of this, bottles of alcohol and glasses were broken. VIW1 the staff on duty was on her own working, however another two male regular costumers were at the premises. VIW1 was behind the bar counter when he threw the first stool. VIW1 has got extremely scared and ran into the cellar to avoid the stools, locking herself in whilst calling police. Upon attending, VIW1 was very distressed, she was shaking and crying and lost for words, she was stuttering whilst giving the males description to officers. She told officers the same thing had happened yesterday. Suspect is a local costumer who has a history of stealing from customers in the pub, VIW1 was informed by her manager that he was not to be served as he was banned from all McGowans pubs. VIW1 said to the male yesterday that he was banned and that she would not serve him at which point he has thrown things around resulting in breaking many alcohol bottles.

"U" 23/11/2014 Crime report No: 2426417/14 linked to 2426329/14 & 2426402/14 (same suspect) Assault Anna BUSSE, bar staff (also spelt BESSE by officers?) appears to be in charge as Nick SICKA is on Police bail and not allowed in the pub. "Anna was shopping with her brother Adam in Iceland on Cricklewood Broadway (around the corner from the pub) when they saw the suspect for the previous incidents.. Adam was aware of Thomas causing damage to the pub, so he shouted out to Thomas and his girlfriend "Why don't you just fuck off?!" Thomas heard this, walked up to Adam and punched him in the face. The punch connected with his cheek bone, just below his right eye. This has left a small red/ pink mark under his eye. Adam (who speaks broken English and requires the help of Anna to translate) stated he punched Thomas back and this connected with his face. The pair were separated, Thomas then left the store" During this investigation the following entry was placed on the report *Interpreter has been booked for a statement to be taken from Adam on 2/11/2014 at 2000 hours. Details... CAD 1302/02DEC14 Created for officers to assist with statement at sc at 2000hrs. Details... VIW Adam did attend Barnet Police station but due to Adam being described as 'quite badly intoxicated' officers and the interpreter were unable to take a statement from him. VIW Anna will be spoken to as she also attended with Adam when he was intoxicated"*

The CAD calls of note are:

Report and licensing visit by PC Carl Mercer 14/11/2014

On Thursday evening (13/11/14) police were called to a domestic GBH whereby the landlord at the venue (Nick SICKA) had seriously assaulted his wife (possibly ex-wife) she was taken to hospital for treatment and then run off.

I attended the venue on the 14/11/2014 with the Investigating officer from the CID to conduct a licensing visit. To say there were problems was an understatement.

The first issue was the DPS. On the licence it is shown as Niall O'Reagan, but according to the area manager Terry KELLY, Niall hasn't been working at the pub for a number of months as he was sick and was working for the firm out of their main office. Mr KELLY stated that the suspect in this case (who has been arrested and is called Nick SICKA) was running the pub.

I asked if they have applied for a DPS variation as I didn't understand how a sick man that was based in an office elsewhere could still be a DPS, but they said they hadn't and that they didn't believe that they had breached any licence conditions.

Further conditions and irregularities they have breached are as follows:

1. There was no incident book or other log at the venue
2. It would appear that no CCTV was working at the venue. (the system that was in place has been seized by CID and at this moment in time they have no CCTV at all)
3. Licence Summary Part B was not correctly displayed. It was placed on a side wall by the spirits, and not visible unless you went behind the bar
4. Neither the original premises licence (Part A) or a certified copy or any notice stating who holds this were kept at the premises or readily at hand
5. There were not any notices displayed of an age verification scheme in operation at the premises
6. No notices to asking customers to leave quietly
7. Area manger states they have no door staff
8. They have not informed police of incidents of crime and disorder. With regards to the GBH on the 13th November 2014, there was an initial assault that took place between the parties two hours earlier and police were not called. It also now appears that there was a theft/robbery that took place earlier in the day at the pub, which the staff were aware of and again did not inform Police or maintain an incident log book
9. The victim of the assault admits to being very drunk. Witnesses also state that the victim was very drunk and that the staff continued to serve her even though she was clearly intoxicated.
10. At the time of the visit there were no staff who held a personal licence. Staff said they had completed their courses, but had no evidence to prove that.
11. During interview Nick SICKA stated that he had left the pub at 2pm and got drunk in Mill Hill, so was not able to function as a DPS . (He is not the DPS as noted in the opening paragraphs of this report)

Besides these breaches there were other issues. It would appear that on the same day the community Police Officers also completed a licensing visit due to other calls they had received about the venue. PC Paul Reidy is able to provide information of this.

VIW2 was the bar maid who originally received the threat against against VIW1, who then passed the information on to him. VIW2 has not yet been spoken to in relation to this.

VIW1 called police on 16/11/14 after threats to kill made against him by an unknown IC1 female, believed to be from the local travellers community. VIW2 had contacted VIW1 informing him that the SUSP had come in to the bar on Friday 14th November 2014 and told her if VIW1 goes back to work they will kill him. VIW1 subsequently then received a second indirect threat to kill against him at approximately 1330 on Sunday 16th November 2014.

VIW1 currently has bail conditions not to attend his place of work, however, he is still apprehensive about going back after this.

2. On Wed 13th NOV 14; VIW1 has been at the venue drinking with friends. . . .

It is believed that at some point earlier in the evening she lit up a cigarette as she was walking out in to the smoking area when the person responsible for the pub has grabbed her by the hair and swung her around on to the floor.

Viw2 is a drinker in the pub and knows of both VIW1 and suspect. He states it was particularly nasty and there was no real need for him to do what he did but anyway the matter was done with. The person responsible was the suspect.

Sometime later, at about 2245hrs, the suspect has told all patrons to leave the pub for no reason. Viw1 said goodbye to viw 3 and 4 who are firends of hers then left the venue alone.

Viw 5 is a completely independant witness and states that she saw the suspect by the alleyway that runs down the side of the pub. As viw 1 has gone to walk past, suspect has jumped out. .. thrown viw1 to the floor and just punched and punched her.

Viw 2 has then come out of the pub probably within a minute ... and confirmed that he saw the suspect, a man he knows to be called Nick, on top of viw 1 repeatedly punching her. He says that Nick then ran back in to the pub and locked the doors. Viw 5 also states that suspect ran back in to the pub.

VIW6 states she was working at location, she wasnt sure what had happened and that Nick had gone home after locking up the pub. She states she had spoken to him on the phone and told him viw1 had been

D0 AND E0 (dog handlers) have attended and entry was gained to the pub. A dog was put in the building to search for the outstanding suspect but with no trace.

Viw 7 has been passing by and she is an off duty maxilo facial nurse. It was eventually ascertained that viw1 had consumed a cocktail of prescription and non prescription drugs Inc methadone, cannabis, cocaine, valium and diazepam. Plus she has been drinking alcohol all day. Due to this and the fact that there had been mention of viw1 having lost consciousness. . Viw7 stated she was not happy for viw1 to be conveyed to hosp via police vehicle. Viw 5 gave viw1 simple commands which she was unable to follow. Viw1s behaviour was very erratic. 1 minute nice and fully cooperative, the next minute borderline wanting to fight. Viw1 waited 3 hours for LAS to attend.

On arrival of E231 they have stated that viw1 has a small lump to left side of forehead... consistent with being punched. The cut to the ear could well have been made by being bitten... however injuries are not life threatening or life changing. It is likely that viw1 will need a few stitches.

Viw 1 conveyed to St Marys with 538sx.

VIW arrived at MCGOWAN'S public house, CRICKLEWOOD LANE at 11.30 hours on THURSDAY the 13/11/2014.

At around 1300 hours VIW went into the gents toilets.

He was followed by SUS 1 (FEMALE)and SUS 2 (MALE).

VIW pointed out that the ladies toilet was across the way.

SUS 2 told him to shut up and shoved him against the wall.

SUS 2 then told SUS 1 to get the ring that was on the VIW'S left hand. SUS 1 said it was too tight but SUS 2 said he wanted it.

The ring is sterling silver with a large single crystal in it. Value about £60.

SUS 1 and 2 then returned to a group who were drinking in the pub.

VIW then spoke to Nick the pub manager and asked him to call the police, but Nick said, "Give them five minutes to give it back. I can't be calling the police too often from a public house"

SUS 1 and 2 then left the pub a minute later.

A repeat victim - CRIS 2422081/14 Robbery victim whilst "clearly drunk" as per that report

CAD Number & Date: CAD 3700/11NOV14 Reported as SG18E appts car

This is a report of theft other. The VIW1 LEE has been in the pub shown during the hours shown. She cannot narrow down the time any better but at some point during the hours shown she has gone to the toilet and it is thought that during that time the suspect has taken her purse and emptied it of all her belongings listed. She admits to having quite a few drinks. She left her green fleece type bodywarmer on the back of a chair in the side yard area. She did not discover most of the items missing until the following morning. It was only on that evening she found her front door key missing and a neighbour with a spare key had to let her in to her home property.

It was only the following morning when she went to the bank that she found her purse and the contents missing.

Her Santander bank told her that £300 was taken from her account on 10/11/14 at approx 23:18hrs and then a further £300 taken from her account at 00:005hrs on 11/11/14. These were both from ATM - Serial No. [REDACTED] - a NatWest bank on Cricklewood Broadway. At about the same time as reporting the matter to the bank she was told by them that £409 had been spent in Foot Locker, Brent Cross at 10:12 on 11/11/14 and a further £40.65 spent in M&S Brent Cross at 10:21

VIW1 Lee is convinced - but no evidence - that 2 males & 1 female seen again in the same pub on Tuesday morning in the side yard area to the left of the pub looking from the front are involved. They

VIW1 states that one of the males has the surname of [REDACTED] - part of a local traveller family she says. The male is a brother of a [REDACTED]
She describes the female as:
IC1 female A/A 25, shoulder length dark hair, slim build, F508, She had a large dog possibly a Redback called [REDACTED]

2. The venue is the MCGOWANS pub on CRICKLEWOOD LANE NW2. The informant and her sister were both considerably drunk upon arrival of Police. They were located slumped on the concrete steps down the road from the pub. VIW 2 had her head right back and tilted against the concrete steps. Their version of events is the following:

They had been drinking in the MCGOWANS pub all day but only had about 3 halves of lager. They have then been told to get out by the Manager (Susp) and when they refused he glassed VIW 2 over the head and dragged VIW 1 out of the pub. They then called 999. They waited with Police whilst LAS attended and assessed the injury. It was a small cut to the centre of the VIW 2 head. There were no secondary cuts as would normally be expected with a glassing incident and it was not pouring with blood. As they have been led to the ambulance that parked outside the pub the VIW 1 has been looking through the window and told Police it was the Manager and pointed him out.

VIW 3 who is bar staff in the pub told us that the females are not allowed in the pub and she has been told not to serve them as they cause trouble. They have come into the pub and been told to leave by the Manager, she then served another customer and by the time she had done that they had gone.

Susp 1 who is the Manager in the pub told us that the females are well known and not welcome in the pub. He has told them to leave when he saw them walk in and VIW 2 has picked up a glass and made a believed

Customers were spoken to, they declined their details and were unable to supply any more information of the above mentioned alleged threat but stated that there had been no glassing of the females but the females had been in the pub.

There were no signs of broken glass, blood or signs of disturbance in the pub.

Both females were too drunk to give MG11s or sign F172. They were advised the incident would be recorded and they would be contacted tomorrow by an Officer to arrange to take MG11s if they wished to proceed with the allegation.

It appears that the male had become angry after being refused another drink after staff felt that he had had enough.

The male was then seen to make his way over to the Lucky Seven before climbing into a removal van and being driven off.

The male prior to police arrival has become very emotional and he has started to cry. He has begged the staff at the venue not to contact police and claimed he would pay for the damage. He has left details on a piece of paper including a telephone number. He gave his details as.....

██████████ (surname illegible)

Tel Number ██████████

Address ██████████
██████████

The suspect apparently got into J Docherty Haulage truck before leaving the scene.

Police attempted to call the number but a male claiming to be ██████████ answered. A voters check did not give any details as to who resided at the location.

There is apparently CCTV from inside the pub. However this was not immediately available but can be collected as from Monday onwards.

Police also spoke to the landlord of the Lucky Seven pub Mr ██████████ (Tel number ██████████) and although he was reluctant to talk to police inside and in front of his patrons he did when we came outside state that he thinks he knows the male and will try to get his name.

A male described as an Irish traveller entered the venue with a friend. The VIW believed that he was the same person who smashed bottles within the venue two months ago so because of that and his and his friends intoxicated state, the VIW refused service.

The Irish male then became very verbally aggressive towards her to the point she started to cry and felt very intimidated and scared. She does not know exactly what was said due to a language barrier and his intoxicated state.

The VIW then closed the hatch to prevent the male from walking behind the bar and called police. Police arrived within the chartered time but the male had left with his friend already. A search was conducted by another unit and CCTV with no trace.

On arrival, the atmosphere within the venue felt hostile, like the patrons did not like police and the victims first words were... Your too late there's no point.

The VIW told us what happened and that she thought they were responsible for the smashed bottles a couple of months ago but did not think it was reported to police.

Details were recorded and the VIW made aware that a report for PO offences would be done.

2. This is a report of a crime related incident.

VIW1 - [REDACTED]
VIW2 - [REDACTED]
VIW3 - [REDACTED]

[REDACTED] is the licensee of the venue, McGOWANS PH on CRICKLEWOOD LANE, NW2. [REDACTED] and [REDACTED] are customers who were drinking inside the premises today on 01/03/2014. They do not know each other and had never met prior to today's incident. Police were called to the venue due to allegations of assault being made by [REDACTED] against an unknown male. Upon Police arrival it was clear that both [REDACTED] and [REDACTED] were very intoxicated and had both been drinking all day. Upon speaking to all parties involved in the incident, it would appear that [REDACTED] has caused a disturbance at the location and has been ejected by [REDACTED] and another individual. During this ejection it is alleged that [REDACTED] has been assaulted by the unknown male resulting in him sustaining a minor cut to his forehead which did not require medical attention. [REDACTED] stated that upon seeing [REDACTED] getting ejected, she has intervened in order to protect him but in the resulting melee has fallen over and hit her right knee on the floor, causing a small graze. Police were then called.

On speaking to [REDACTED] and [REDACTED] both their accounts continually changed and were incoherent. They were very intoxicated and did not give reliable details and information to officers. As a result, they were not in a fit state to provide statements or properly allege or substantiate any offences. [REDACTED] was sober and

stated that both [REDACTED] and [REDACTED] were banned from the venue. He stated that [REDACTED] had been behaving in an abusive manner due to his drunken state and as such he ejected him from the venue, asking [REDACTED] to also leave with him. He denied assaulting [REDACTED] or [REDACTED] and stated that as far as he was concerned, no other person assisted in ejecting them or got involved with them outside the pub. [REDACTED] states that although their behaviour was abusive and inconsiderate, he did not wish disclose or allege any offences against them and just wanted them to leave.

There were no forthcoming independent witnesses to the offence and the venue was not being monitored by LBB CCTV cameras at the time of the incident. There was no working CCTV in the venue at the time of the incident. No description or details were provided of the mystery man that is alleged to have assaulted [REDACTED] and there is nothing to suggest that there was anyone else involved in ejecting him beyond [REDACTED] the Licensee. He was the only member of staff working in the venue at the time of the incident. Both [REDACTED] and [REDACTED] declined LAS and did not require medical attention. The course of action to be taken was explained to both of them and they were told that there was insufficient evidence of any offences for Police to act upon despite their initial accounts. Neither party offered any kind of evidence that [REDACTED] had acted unlawfully or used a disproportionate amount of force in ejecting them from the premises and neither [REDACTED] nor [REDACTED] alleged an actual assault by [REDACTED]. As a result, no Police action was taken against [REDACTED] and this

****THIS IS A CASE OF COMMON ASSAULT****

2. VIW1 - Miss. [REDACTED] works as a bar tender at MCGOWAN'S Public House, 26-28 Cricklewood Lane, London, NW2 1HB.

Tonight - SUNDAY 24th NOVEMBER 2013 at 10:30 hours, Sus1 came into the venue and began drinking alcohol. Miss. [REDACTED] noticed that Sus1 was talking to himself all day and as shadow boxing and she believed he had mental health problems. Miss. [REDACTED] did not recognize him and she had never seen him in the pub before, and neither had any of the regular customers that were currently drinking in the pub at this time.

Sus1 was telling customers that his name was [REDACTED] from Ireland and that he was a professional boxer and had just gotten out of prison.

At approximately 14:30 hours, Sus1 was by now intoxicated and being very leery and began walking up to customers in the pub and mine sweeping (drinking) their drinks in front of them. Several of them became unhappy at this and complained to Miss. [REDACTED]. Miss. [REDACTED] asked Sus1 to leave the venue as he was drunk and being disrespectful to other people in the pub. Sus1 then told her to "fuckoff" numerous times and then continued to shadow box to himself near the bar area.

Miss. [REDACTED] came from behind the bar and held the exit doors open for Sus1 and told him to get out. Sus1 then walked to the exit doors and as he was level with the doors he gave a passing kick to Miss. [REDACTED] right leg - hitting her in the calf area.
As Sus1 walked out the pub he then said to

PRIMARY INVESTIGATION DETAILS : 1 Immediate action

Miss. [REDACTED] "I'll shoot you."
Sus1 then walked off in an unknown direction.

VIW3 - Mr. [REDACTED] that was drinking in the pub witnessed the entire incident and the assault on VIW1.

Miss. [REDACTED] called for police and upon arrival it was established that Sus1 had never been to the venue before and he was intoxicated and possibly had mental health problems.

Miss. [REDACTED] did not believe the threats to be credible, she also saw no gun, and Sus1 did NOT intimate that he had a gun and she said it was a passing comment as he left the venue.

VIW2 - Mr. [REDACTED] that is the manager/licensee arrived on scene and he would not close the pub even though he was advised to be police. He said he was happy to keep it open and signed PC 300sx Pullens pocket book to this effect.

VIW1 - Miss. [REDACTED] offered to be escorted home by police, after her work finished at 17:00 hours, but she refused and made alternative arrangements.

PNC was checked by PC Fielding for the name [REDACTED] but there was far too many hits to narrow it down. There is also no positive proof that the suspects name is this and he could be lying.

SX1L - Insp MOSELEY appraised of incident as was SX CID - DS WILLIAMSON.
Both confirmed that this is a common assault with a Sec 4 Public Order.

***CCTV:**

There is no local Barnet Borough CCTV that recorded this as the cameras were pointing away from the venue at the time of the incident.

There is private CCTV inside the venue, but this can not be accessed by VIW1 or VIW2 and they have called an area manager to come out on MONDAY 25th NOVEMBER 2013 to download

1. CAD 8099/28AUG13. 8045ST attended.

2. VIW1 was drinking with about 7 "regulars" in the McGOWANS PH due to not being at work that day. VIW1 had left White Apple iPhone 4S on a low level table next to the gaming machine adjacent to the open door of the premises. Through the window, he saw another person arriving with some stock for the bar and left the table to assist. Whilst VIW1 was walking behind the bar, TWO IC1 males entered the premises selling perfume or aftershave. Both had Irish accents, where about 24 - 26 yo and had black hair. All the males in the premises stated that they were either at the bar facing away from the door or were playing pool at the other end of the room. They state that they briefly saw the males and one person tried to ignore them selling their wares. VIW1 and others stated that they then left and one went up CRICKLEWOOD LANE away from EDGWARE ROAD and the other went down CRICKLEWOOD Lane towards EDGWARE ROAD. Upon returning to the table VIW1 noticed that his iPhone had disappeared. He left the premises, looked up and down the road and could not see either of the suspects. VIW1 stated that the premises has good CCTV but that only the lead manager can view it and take copies. I saw the number of cameras that were installed and there appeared to be at least two that point towards the table where the phone was left and a number cover the door that the suspects entered and exited.

3. No first Aid required.

4. VIW1 stated that the mobile is not on a contract and no calls can be made. I advised that the service provider is contacted anyway. VIW1 stated that they would.

2. On 02/08/13 just after 0030hours viw 1 had closed up the pub. There were 1 or 2 other people inside the pub finishing their drinks and getting ready to leave.

Susp has approached the shutters which were only half way down and the door was unlocked. He ducked down and let himself in. viw1 has asked him to leave and told him that he was not welcome and not allowed any alcohol.

Susp took offence to this and on leaving he has apparently kicked the window causing it to smash. He has made off towards Cricklewood Broadway.

Apparently the male had been seen throughout the day on the grass area opposite the pub. This is not the 1st time he has been seen outside the pub.

OTHER - FULL DETAILS BELOW-LAS CANCELLING

22:58:39 08NOV14 083907 H2670

^SXC.. PLEASE INFORM UNIT THAT A CRIS WILL NEED TO BE COMPLETED.. SAME MALE STATED THAT HE WAS ASSAULTED ON LINKED CAD..

23:03:34 08NOV14 700588 H2663

^624SX CHEIF INSPECTOR MARINER HAS TOLD US THAT IF SOMEONE MAKES AN ALLEGATION ON CAD AND OFFICERS SEE THE VICTIM WHO THEN MAKES NO ALLEGATIONS THEN WE DO NOT HAVE TO PUT ON A CRIS

23:09:29 08NOV14 226488 H2736

^HENDO., THIS IS NOT A THRID PARTY ALLEGATION AS THE INFT HAS CALLED IN ON THE LINKED. THERE IS NOTHING ON THIS CAD TO NEGATE THE ALLEGATION, ONLY THAT THE INFT DOES NO WISH TO MAKE A COMPLAINT. AS PER HOME OFFICER COUNTING RULES UNLESS THERE IS EVIDENCE TO THE CONTRARY (IE CCTV OR WITNESSES TO NEGATE THE ALLEGATION) A VICTIM REFUSING TO SUBSTANTIATE THE ALLEGATION DOES NOT PRECLUDE TEH RECORDING OF A CRIS.

23:14:14 08NOV14 083907 H2670

^SXC.. I HAVE SPOKEN TO OFFICER AND ADVISED HIM THAT A CRIS DOES NEED TO BE COMPLETED.. HE HAS STATED THAT HE IS GOING TO EMAIL CHEIF INSPECTOR AS HE BELIEVES THAT A CRIS DOES NOT NEED TO GO ON.. ADVISED 624SX THAT WE EXPECT HIM TO COMPLETE A CRIS.
