1. Paper Summary: Barnet Safer Communities Strategy 2015 - 2020

1.1 This document outlines how Barnet Safer Communities Partnership will work together to reduce crime, the fear of crime and help ensure Barnet remains one of London's safest boroughs.

1.2 The strategy outlines the objectives and outcomes that the Safer Communities Partnership Board will focus on over the next five years.

1.3 The outcomes have been identified through:

- I. Considering the findings of a detailed assessment of crime and anti-social behaviour trends and a consultation with the people of Barnet conducted from July to October 2014.
- II. A public consultation carried out between July to October 2014 which consultation included public meetings, an online survey as well as workshops and information stalls across the borough.
- III. Input and feedback from Safer Communities Partners on both the Strategic Assessment and the Community Safety strategy.

1.4 The draft strategy was **presented at the 31 October 2014 BSCP** and to the Community Leadership Committee on Community 10th November 2014.

1.5 Following feedback additional content was added to the strategy regarding CSE and substance misuse.

2. Decision(s)/ Action Required

2.1 That the SCPB agree and sign off on the final Community Safety Strategy 2015-20
