## Summary

The role of Director of Assurance is the designated statutory Monitoring Officer for the council. The role was advertised externally and as at the closing date, eleven applications were received.

Applications were assessed against the criteria within the role profile and six candidates were deemed suitable to progress through to the technical interview stage.

Following the withdrawal of one candidate, the remaining five candidates were assessed by a technical expert in the field. Following this process, three candidates were shortlisted and deemed suitable to progress forward to a one to one meeting with the Chief Executive.

Members will be provided with some questions prior to the committee meeting for their consideration. These can be found within the member recruitment pack, which also includes full background to the candidates being put forward for interview.
