Summary

The report informs the Chipping Barnet Area Committee of a request for funding submitted via Councillor Paul Edwards in accordance with the revised Area Committee Budgets processes agreed in July 2015

Recommendations

1. That the Chipping Barnet Area Committee consider the request detailed in Appendix A.
2. That the Chipping Barnet Area Committee decide whether it wishes support a full application being made to the next meeting of the Chipping Barnet Area Committee.

1. WHY THIS REPORT IS NEEDED

- 1.1 In January 2015, the three Area Committees considered reports which detailed applications from community groups to the council's Area Committee Budgets funding stream (£100,000 per annum per Area Committee). In this process the various applications received were assessed by Officers against Area Committee Budgets Guidance and Conditions of Grant and then presented to the respective Area Committee for consideration. A number of funding awards were made and community groups have been utilising the funding for their various projects.
- 1.2 In July 2015, the three Area Committees considered reports which set out proposals for revised arrangements for Area Committee Budgets which included moving away from the open grants process which had been followed for the 2014/15 round of funding. Following consideration of the report, a revised system was adopted which gave the Area Committees an opportunity to plan and direct how they spend their funds in response to local issues which came forward from residents through a variety of routes. It was identified that potential projects might come forward via Members' Items brought to the relevant Area Committee.
- 1.3 Councillor Philip Cohen would like to support an application by the Barnet Community Projects, Rainbow Centre Job Club for £9,816 as detailed in Appendix A.

2. REASONS FOR RECOMMENDATIONS

- 2.1 The Committee are requested to consider the requests for funding detailed in section 1 of the report and a determination is required as to whether the committee support the projects in principle and agree that detailed applications should come to the next meeting of the Committee.

3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

- 3.1 Not applicable. The Area Committee agreed in July 2015 that applications to the Area Committee Budgets could come via Members' Items.

4. POST DECISION IMPLEMENTATION

- 4.1 Post decision implementation will depend on the decision taken by the Committee. If the Committee indicate that they are in support of the funding proposals, a detailed application (made in accordance with the Area Committee Budgets application form) can be developed and submitted to the next committee for approval.

5. IMPLICATIONS OF DECISION

- 5.1.1 If the Committee agrees in principle to the applications, the detailed applications will need to demonstrate how the projects link to the Council's Corporate Plan and other relevant policies.

5.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

- 5.2.1 The Committee are able to consider items which are in line with the remit of the Committee. The Committee have been set a budget which enables the Committee to determine how this is spent. The following table gives an outline of area budget fund and therefore the Committee as £151,204 at its disposal.
