Term	Explanation
RAG	A red, amber, green flag based on the below criteria: Green – All performance indicators positive Amber – Mixed positive and negative performance indicators Red – All or nearly all performance indicators negative In the report the performance indicators upon which the RAG rating is based on are displayed next to the rating.
Latest Quarter	The most recent three months – Oct to Dec (unless stated otherwise – i.e. if data limitations necessitated a different time period)
Rolling 12 Months Performance	The rolling 12 months is the most recent 12 months (usually up to December 2013 unless stated otherwise). Rolling 12 months performance is the percentage change in the most recent 12 months compared to preceding 12 months (e.g. Jan 2013-Dec 2013 vs. Jan 2012-Dec 2012)
Peer comparison	Ranks Barnet in comparison with other boroughs based on rate of crimes per 1000 population (or in case of residential burglary per 1000 households). For the purposes of this comparison a rank of 1 is the best (I.e. the area with the lowest crime rate).
Similar Group Rank	A peer comparison (see above) comparing Barnet to similar boroughs / areas that have been selected due to demographic similarities (1 is best 15th worst). *[1] See at bottom of page for list of the peer areas.
London Rank	A peer comparison (as above) comparing Barnet's rate of crime to the other boroughs in London (1 is best, 32 worst).
ASB	Antisocial behaviour
PAS	Public Attitude Survey – a London wide survey of Londoners opinions carried out on behalf of the Met police, which breaks down results to borough level. Looks at numerous issues including crime, ASB and public confidence
FTE	First Time Entrant rate – rate of first time entrants into the criminal justice system per 1000 young people for a give area
