A request has been received for the Committee to consider the attached application at Appendix A and make a determination as set out in the recommendations.
- 1.2 In January 2015, the three Area Committees considered reports which detailed applications from community groups to the council's Area Committee Budgets funding stream (£100,000 per annum per Area Committee). In this process the various applications received were assessed by Officers against Area Committee Budgets Guidance and Conditions of Grant and then presented to the respective Area Committee for consideration. A number of funding awards were made and community groups have been utilising the funding for their various projects.
- 1.3 In July 2015, the three Area Committees considered reports which set out proposals for revised arrangements for Area Committee Budgets which included moving away from the open grants process which had been followed for the 2014/15 round of funding. Following consideration of the report, a revised system was adopted which gave the Area Committees an opportunity to plan and direct how they spend their funds in response to local issues which came forward from residents through a variety of routes. It was identified that potential projects might come forward via Members' Items brought to the relevant Area Committee.
- 1.4 In March 2016, the Community Leadership Committee considered a report on the future operations of the Area Committee funding application process, to be implemented from 1 April 2016 onwards.
