## Summary

The report informs the Health Overview and Scrutiny Committee of a Member's Item and requests instructions from the Committee.

## Recommendations

1. That the Health Overview and Scrutiny Committee's instructions in relation to this Member's item are requested.

## **1. WHY THIS REPORT IS NEEDED**

- 1.1 Councillor Philip Cohen has requested that a Member's Item be considered on the following matter:

**HOSC: 4 July**

**Member's Item: Cllr Phil Cohen**

**Additional services at East Barnet Health Centre**

*"Additional services provided at the East Barnet Health Centre before the closure of the Centre – specifically District Nursing, Baby Clinics, COPD clinics and Physiotherapy - have not returned to the Centre since its re-opening and are instead being provided at other locations such as Finchley Memorial hospital, Holbrook House, or the New Barnet Subud Centre.*

*I raised this with the East Barnet Residents' Association and they have now received confirmation from the CLCH NHS Trust that these services have not yet returned to the EBHC because NHS Property Services are changing the charging arrangements which is likely to result in an increase in the cost of the space. CLCH are waiting for confirmation of the revised rental charges before they agree any future lease for the space.*

*I would like HOSC to receive confirmation that any increase in rent will not prevent any of these services from returning to the East Barnet Health Centre, and also confirmation of when the rent and lease will be finalised and the additional services relocated back to the Health Centre."*
