"In the last Community Leadership Committee on 9 March 2016 it was requested that a report be submitted on the impact of regeneration schemes in the borough on community cohesion, particularly in relation to settled and well established communities that are subject to upheaval as a result of regeneration. It was resolved that that this item would come back to the next Community Leadership Committee meeting if it was not discussed during the Asset, Regeneration and Growth Committee which took place on 17 March 2016.
