## **2. REASONS FOR RECOMMENDATIONS**

## **4. POST DECISION IMPLEMENTATION**

- 4.1 The decision will have immediate effect

## **5. IMPLICATIONS OF DECISION**

### **Licensing officer's report**

#### **Transfer Application**

**11 Church Road, London, NW4 4EB**

#### **The Application**

This application seeks to transfer the premises licence under section 42 of the Licensing Act 2003 to Mr Rohai I Razzaq, Fair Price Foods, 11 Church Road, London, NW4 4EB

A copy of the Transfer Application can be found in Annex 1 attached to this report.

#### **Objection**

The police having been provided with a copy of the application have provided the Licensing Authority with their objection. This was received by the licensing authority on Monday 09<sup>th</sup> October 2017.

In their Notice the Police have stated that they are satisfied that the circumstances of the case are such that granting the application would undermine the prevention of the crime & disorder licensing objective.

A copy of the Police objection can be found attached to this report in Annex 2.

#### **Officer Comments - Statutory Guidance**

8.92 The 2003 Act provides for any person who may apply for a premises licence, which includes a business, to apply for a premises licence to be transferred to them. Where the application is made in writing, the applicant must give notice of the application to the chief officer of police. Where it is made electronically via GOV.UK or the licensing authority's electronic facility, the licensing authority must notify the police no later than the first working day after the application is given. However, the responsibility to notify the DPS remains with the applicant. Otherwise the general guidance on electronic applications set out in paragraphs 8.21 to 8.28 applies.

8.93 In the vast majority of cases, it is expected that a transfer will be a very simple administrative process. Section 43 of the 2003 Act provides a mechanism which allows the transfer to come into immediate interim effect

as soon as the licensing authority receives it, until it is formally determined or withdrawn. This is to ensure that there should be no interruption to normal business at the premises. If the police raise no objection about the application, the licensing authority must transfer the licence in accordance with the application, amend the licence accordingly and return it to the new holder.

- 8.94 In exceptional circumstances where the chief officer of police believes the transfer may undermine the crime prevention objective, the police may object to the transfer. Such objections are expected to be rare and arise because the police have evidence that the business or individuals seeking to hold the licence or business or individuals linked to such persons are involved in crime (or disorder).
- 8.95 Such objections (and therefore such hearings) should only arise in truly exceptional circumstances. If the licensing authority believes that the police are using this mechanism to vet transfer applicants routinely and to seek hearings as a fishing expedition to inquire into applicants' backgrounds, it is expected that it would raise the matter immediately with the chief officer of police.
