## Recommendations

1. That the Environment Committee's instructions in relation to this Member's item are requested.

### 1. WHY THIS REPORT IS NEEDED

- 1.1 Members of the Committee have requested that the items tabled below are submitted to the Environment Committee for considering and determination. The Environment Committee are requested to provide instructions to Officers of the Council as recommended.

Name of Councillor	Member's Item
Alan Schneiderman	<p data-bbox="566 741 1246 779"><b>PB Donoghue waste management site</b></p> <p data-bbox="566 819 1455 925">I request that the Environment Committee receives a report on the P B Donoghue waste management/transfer site in Cricklewood NW2.</p> <p data-bbox="566 965 938 1003">The report should include:</p> <ul data-bbox="614 1043 1487 1917" style="list-style-type: none"><li>• Available results from the independent audit commissioned by the Environment Agency and carried out on 28 September 2017.</li><li>• An update on discussions with a housing developer on the relocation of Donoghues and the use of the site for housing.</li><li>• What process is being followed for dealing with the application for a permit to operate a concrete crusher on the site, and in particular what criteria can be taken into account when determining the application and what consultation will there be?</li><li>• What fines can be levied for operating a concrete crusher without a permit?</li><li>• A list of which matters are the responsibility of the Environment Agency and which are the responsibility of the Council or any other organisation.</li><li>• What the Council can do to ensure that incidents reported by members of the public are directed to the appropriate organisation and properly recorded?</li><li>• What agreement is in place for the use of the former Dixons site in Tilling Road for storage in connection with activities at the Claremont Road site?</li><li>• What control does the Council have over street cleaning activities carried out by site operator?</li></ul>

<p><b>Phil Cohen</b></p>	<p><b>Bowling Clubs</b></p> <p>I request that the Environment Committee receives an update on the current state of negotiations on lease arrangements with the borough's bowling clubs.</p>
<p><b>Alon Or-bach</b></p>	<p><b>Consultations on crossover applications</b></p> <p>Residents have raised concerns over an inconsistent approach to consulting residents regarding crossover applications. I request that the Environment Committee is given a report setting out the Council's position on how and when and which residents are consulted.</p>
<p><b>Dean Cohen</b></p>	<p><b>Waste – Bin Capacity Policy</b></p> <p>Request for Officers to bring back a paper to consider a policy that when residents have had a specific size bin/capacity of waste and that provision is not in compliance with current policy that while they are at that address their existing provision is grandfathered. This means that if for any reason the bins need replacing other than due to the fault of the resident the Council will replace the bins at its cost. When these residents move the policy reverts to normal</p>

**2. REASONS FOR RECOMMENDATIONS**

2.1 No recommendations have been made. The Committee are therefore requested to give consideration and provide instruction.

**3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED**
