1	7 Councillor Alan Schneiderman	Anne Clarke	<ol style="list-style-type: none"> <li>1. When will the former Dixon's site be cleared of Donoghue's skips?</li> <li>2. Have Barnet Council levied any fines to P D Donoghue for using the ex-Dixon's site as storage without a lease?</li> <li>3. That is the council doing to ensure air quality around the Donoghue site is safe for the public?</li> </ol>	<p>The site will be cleared in 14 days (17 November)</p> <p>No. PB Donoghue's presence was with the local authorities agreement. Their use of the site saved LBB £100,000 in security costs</p> <p>Regarding general air pollution in Cricklewood, the air quality action plan has actions point to promote an Ultra low Emission Zone to ensure all HGV's in the borough use modern abatement technology to reduce emissions of Nitrogen Dioxide and Finer particles PM10. This applies currently to Donoghues vehicles through the Low Emission Zone enforcement.</p> <p>The Local Authority are working closely with the Environment Agency to regulate and manage the activity within the site</p>
