1. WHY THIS REPORT IS NEEDED

- 1.1 The licensing authority having received valid representations against the application for a premises licence is expected to hold a hearing to consider those representations. The application can be determined by the licensing authority without a hearing in certain circumstances.

2. REASONS FOR RECOMMENDATIONS

Where a representation is submitted under section 161 of the Gambling Act 2005 (and not withdrawn), the authority must hold a hearing to consider it, unless the applicant and any party or responsible authority who has made (and not withdrawn) a valid representation agree, or where the authority considers that the representations are frivolous, vexatious or will certainly not influence the authority's determination of the application.

3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

- 3.1 N/A

4. POST DECISION IMPLEMENTATION

- 4.1 The decision will have immediate effect

5. IMPLICATIONS OF DECISION

5.1 Corporate Priorities and Performance

- 5.1.1 Members are referred to the Council's Licensing Policy for consideration
- 5.1.2 Timely legal and fair decisions support objectives contained within the Corporate Plan. In particular in relation to a "successful London borough" by ensuring that only legal, well regulated licensable activities occur within the borough.

5.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

- 5.2.1 N/A

5.3 Legal and Constitutional References

- 5.3.1 The Gambling Act 2005 sets out how applications for premises licences should be dealt with where valid representations have been submitted.
- 5.3.2 Under the Constitution, Responsibility for Functions (Annex A), the Gambling Act 2005 and associated regulations, as delegated to it by the Licensing Committee, including the determination of review applications.

5.4 Risk Management

4. Attaching conditions

Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that "The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Gambling Act 2005

THE OBJECTIVES UNDER THE ACT ARE :

- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime
- Ensuring that gambling is conducted in a fair and open way
- Protecting children and other vulnerable persons from being harmed or exploited by gambling

Gambling Act 2005

Objective 1

Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime.

- We have adopted and complied with the guidelines produced by the Association of British Bookmakers (ABB) in relation to the Proceeds of Crime Act 2002 (POCA) .
- If we suspect anyone of using our premises for the furtherance of criminal activity (for instance drug dealing, using counterfeit money, selling suspected stolen property and criminal damage) we will contact the police immediately, report to our UK Head of Security and record the instance in the shop log.
- We exercise considerable caution when approached by a customer unknown to us who wants to place a significant bet.
- We at Paddy Power are also aware of the need to notify the Gambling Commission should we suspect anyone, including our own staff, of committing an offence under the Act.
- All of our shops have digital CCTV installed. We have upgraded all of our existing shops to a remote system (completed end 2009) with virtually every area of the customer area supervised.
- We have a full time Head of Security / Money Laundering Officer heading a security team monitoring staff / customer activity.

Gambling Act 2005

Objective 2

Ensuring that gambling is conducted in a fair and open way.

- A copy of our current betting rules is prominently displayed in each of our offices.
- We encourage shop teams / district managers to use positive discretion to resolve customer issues at a local level – we are very proud of the fact that very few issues are escalated beyond this stage.
- Where a customer dispute cannot be resolved satisfactorily we encourage reference to IBAS.
- We will always abide by any decision made by IBAS.
- Our shop staff receive ongoing / refresher training which we believe to be essential in ensuring that any possible issues are addressed at bet acceptance stage.

Gambling Act 2005

Objective 3

Protecting children and other vulnerable persons from being harmed or exploited by gambling

- All our staff receive ongoing extensive training on social responsibility.
- The protection of the vulnerable is at the heart of all new employees' induction training regardless of whether they are experienced or not
- Under 18 notices are prominently displayed in each of our offices.
- All staff will require sight of a photographic form of identity if they suspect a customer to be under age – all such instances are recorded in the shop log.
- We prominently display leaflets and posters giving information on Gamcare services together with contact details.
- We operate a self exclusion policy whereby customers complete an exclusion form together with a recent photograph – details are circulated to all nearby Paddy Power offices.
- We regularly donate to The Responsibility in Gambling Trust (RIGT).
- Our shops are designed, wherever possible, to allow direct supervision by staff of the FOBT terminals. FOBTs are monitored by CCTV.

Stop the Paddy Power betting shop at Halliwick Court, N12

We the undersigned petition Barnet Council to reject the planning application for a Paddy Power betting shop at Halliwick Court, Colney Hatch Lane N12 for the following reasons:

- It is located near a public transport hub used by students of three local secondary schools
- It can increase anti-social behaviour in the area
- It is situated in a largely residential area and there will be a loss of amenity as it will replace a well used launderette in an area with a large number of rented homes
- Gambling can be an addiction and can create a dependency for its clientele, affecting their mental health and financial well-being.

58. Catherine Laz	I use the launderette, it provides a service. We do not need a Paddy Power, there's one in North Finchley already, a whiff of cannabis can be detected from the people standing outside sometimes. The kids congregating every day around there every day cause enough bad behaviour, we don't need another disruption. I am totally against the idea, horrendous!
	We simply don't need a Paddy Power betting shop. There is already a betting shop close

Another betting shop would provide no additional benefit. The laundrette, on the other hand, provides some benefit for those who, for one reason or another, don't otherwise have access to a washing machine. The needs of those who use the laundrette should take precedence over those who "need" to bet.

81. Brian Robinson	There is already one betting shop which is enough. Friern Barnet is already struggling without this terrible addition. The Paddy Power shop in N Finchley by the Arts Depot really helps to lower the impression of the area and degrade the entrance to the Arts Centre

122.	Philip Schofield	Communities need betting shops as much as they need holes in the head. If the government banned private betting shops, and local councils undertook public lotteries instead, then the gains could be used to fund libraries and other socially useful activities. Betting shops destroy families.

130. Paddy Pugh	The Parade should be enhanced as a local shopping centre not weakened by more betting or fast food outlets. The Co-Op has shown the way by investing in the Parade. Planning permission should not be granted for the loss of a valued local service---currant planning thinking and guidance is about enhancing local facilities and reducing traffic movements. This proposal flies in the face of currant best practice on sustainability and maintaining viable local services. It has nothing whatsoever to commend it a should be refused.

149. Camille Warren	My daughter and friends will be attending The Compton School as of September and I don't want her to have to walk by a betting shop twice a day. We ought to be encouraging a more community focused high street in Friern Barnet and I don't think a betting shop helps the feel of the area which, let's face it, needs all the help it can get.
150. Amanda Hibberd	Badly needs some investment on that junction, signage, shopfronts, planters and flower beds. It's traffic choked and neglected.
153. Danielle Deboutte	
154. Robin Powell	Betting shops come with gambling machines that enable people to be separated from their money in the blink of an eye. This in turn leads to over-commitment in chasing losses and often desperation, increasing the risk of criminal behaviour. This is the last thing we need in
