Summary

At the meeting of Finchley and Golders Green Residents Forum, held on 23 January 2018, two petitions were referred to this Committee for consideration.

Recommendation

That the Area Committee considers the petitions referred by the Finchley and Golders Green Residents Forum.

1. WHY THIS REPORT IS NEEDED

- 1.1 The Council's Constitution permits the referral of petitions and issues to Area Committees. The following two petitions have been referred from the Finchley and Golders Green Residents Forum to the Area Committee:

1	<p>Petition: Split the two parts of the East Finchley CPZ and allocate the streets in the all-day part of the CPZ a code letter different to the current 'M'. The aim would be to restrict parking in the all-day zone to people who live within this zone.</p> <p>Submitted by: Michael McGrath</p> <p>Signatures: 73</p> <p>Ward:</p> <p>The Council have confirmed that parking permits are allocated for over 90% of the available bays in the all day 10:00 to 18:30 zone. Any spare spaces are currently occupied by residents who drive the short distance across East Finchley to park near the station. This greatly undermines the utility of the CPZ for residents who suffer the inconvenience and cost of all day parking restrictions. This practice also unnecessarily increases the volume of traffic using residential roads and causes increased pollution. No one in East Finchley CPZ is more than a few minutes walk from the station.</p> <p>Action at Residents Forum: Refer to Area Committee</p>
2	<p>Petition: Include Stanhope Avenue and Cavendish Avenue in the next extension of Finchley Church End CPZ</p> <p>Submitted by: Katie Reynolds</p> <p>Signatures: 65</p> <p>Ward: Finchley Church End</p> <p>We the undersigned, residents of Stanhope Avenue, Stanhope Court, Cavendish Avenue and East End Road, Finchley Church End (N3), petition Barnet Council to include Stanhope Avenue and Cavendish Avenue in the next extension of Finchley Church End CPZ.</p> <p>There is insufficient parking for residents during weekdays, due to the high volume of non-residents parking on Stanhope and Cavendish Avenues during weekdays. It is essential to the residents of Stanhope Avenue, Stanhope Court, Cavendish Avenue & East End Road that controls are introduced in order to deter long-term daytime parking by non-residents.</p> <p>There is already insufficient street parking available in Stanhope & Cavendish Avenues, and the proposed inclusion of other neighbouring streets (such as Templars Crescent) into the CPZ will make the situation considerably worse.</p> <p>We demand that the following two sections of on-street parking are included in the Finchley Church End CPZ:</p> <ul style="list-style-type: none"> • Stanhope Avenue, between East End Road and Mountfield Road • Cavendish Avenue, between East End Road and Mountfield Road. <p>Action at Residents Forum: Refer to Area Committee</p>
