The application can be determined by the licensing authority without a hearing in certain circumstances.

2. REASONS FOR RECOMMENDATIONS

- 2.1 Where a representation is submitted under section 34 of the Licensing Act 2003 (and not withdrawn), the authority must hold a hearing to consider it, unless the applicant and each person (including responsible authorities) who has made (and not withdrawn) a valid representation agree that a hearing is unnecessary, or where the authority considers that the representations are frivolous or vexatious

3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

- 3.1 N/A

4. POST DECISION IMPLEMENTATION

- 4.1 The decision of the sub-committee will have immediate effect but if the application, or any part of it is granted, the licence variation takes effect in accordance with the date specified in the decision notice

5. IMPLICATIONS OF DECISION

5.1 Corporate Priorities and Performance

- 5.1.1 Members are referred to the Council's Licensing Policy for consideration

5.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

- 5.2.1 N/A

5.3 Legal and Constitutional References

- 5.3.1 The Licensing Act 2003 sets out how applications to vary premises licences should be dealt with where valid representations have been submitted

- 5.3.2 Under the Council's Constitution, Article 7, 'licensing hearings concerning all licensing matters' are delegated to the Licensing sub-committees, and in addition, the sub-committees have responsibility for 'all functions in relation to licensing as delegated by the Licensing Committee.

5.4 Risk Management

5.4.1 N/A

5.5 Equalities and Diversity

5.5.1 Licence applications are dealt with according to the provisions of the Licensing Act 2003 and associated Regulations which allow both applications and representations to applications to be made by all sectors. There are not considered to be any equality/diversity issues arising in relation to the content of this report.

3. Agreements

The applicant has been in discussions with Pc Vicky Wilcock on behalf of Metropolitan Police, I can confirm that the applicants agreed to amend their application in order to update the below conditions to now read:

5. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that "The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

Dear Daniel

Thanks for stopping by. It was most useful. I will like to please remove the following conditions:

Condition 15: Ambient music only condition. It is very ambiguous, subjective and restrictive. We do not play live music and this is not a bar so there is no chance for music to be so loud.

Condition 20: We would like this to be removed. We are a restaurant and people want to walk in up until the kitchen is closed for a meal which is up to 15 minutes to the close of business. This has an economic impact on the business as we turn people away.

Condition 24: We have a restaurant where our customers are professionals and mostly above 30. We have had a few TENs and there has been no problems. All licensable activity so far has no problems. Most of our activities are private parties invite only events so employing SIA supervisors is expensive and not necessary. Where we open to the general public it probably will be people already in the restaurant establishment having fun.

Many thanks

Ayodele,

As discussed there was only one point I wanted to alter on the application.

With one of the conditions you would like to remove;

20. There will be no new admittance to the premises during the last hour the premises is open to the public on Fridays, Saturdays and any day preceding a bank holiday.

Rather than removal entirely, we would prefer it was re-worded to accommodate your customers who are ordering take away meals.

I propose the following in its place;

- **There will be no new admittance to the premises during the last 30 minutes the premises is open to the public on Fridays, Saturdays and any day preceding a bank holiday. Those ordering take away meals are exempt from this.**

I look forward to hearing back from you.

- Nuisance

Comments: 11:59 AM on 23 Jan 2018 In general, I think this is an excellent business and I welcome its addition to the neighbourhood, where it undoubtedly adds value. I congratulate the applicant for this and sincerely wish her luck in making a success of the business.

In addition, in principle, I do not object to a licence for the sale of sell alcohol, provision of late night refreshment or provision of regulated entertainment at this premises.

However, I would like the requested hours to be reconsidered. The sale of alcohol and other activities from 5.30 am is not appropriate in a residential area, and risks attracting individuals to the vicinity who may cause crime, disorder and/or nuisance - we have already had some problems with this, and don't want to add additional attractions.

I would have no objection if the times permitted for the sale of alcohol were changed to after noon only, and for the other activities to 7 am onwards.

I hope these points will be reconsidered, and would like to again reiterate my support otherwise for the application.
