Agenda Item 14.2

Amendment to motion: Cllr Jo Cooper

The Barnet View

Delete all and replace with (addition in bold):

Council recognises the distinct social, environmental, health, housing and transport needs of outer London boroughs such as Barnet and their differences to those of inner London boroughs. These relate to, among other things, less developed public transport infrastructure, an older and more sparsely settled population, and links with areas beyond the borders of Greater London.

Council therefore supports the adoption of a Barnet-focused view in responding to the current consultations, particularly in support of Local Implementation Plan (LIP) funding applications, which should reflect the priorities of this borough and its residents and not those of inner London. Council calls on the Environment Committee to ensure that we maximise LIP receipts and allocate them in line with the Barnet view.

Council also calls on the Environment Committee to support local residents' and Barnet Labour's campaigns for Transport for London to retain the current 384 bus route within New and East Barnet, including servicing Northfield Road, Crescent Road, East Barnet Road, York Road, Longmore Avenue, Lyonsdown Road and Gloucester Road, and the stops that serve Sainsbury's and the new Aldi.

Under Full Council Procedure Rule 17.17: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.
