Add additional condition to read

All mini cabs shall be managed remotely using electronic equipment such as radios, or PDAs in order to discourage associated vehicles from waiting in the vicinity of the mini cab office and from creating additional parking demand on roads in the vicinity of the site.

Reason: To ensure that the proposed development does not prejudice the free flow of traffic and conditions of general safety on the adjoining highway in accordance with Policies M11 and M12 of the London Borough of Barnet Adopted Unitary Development Plan 2006.
