#### **Community Right to Bid: Greensquare**

Written comments, received on the afternoon of Friday 14 December, from the Solicitor acting on behalf of the landowner, Higgins Homes plc, had been published as a late paper and were noted.

Mr Graham Jardine spoke on behalf of Greensquare Residents Association. He reported that the land had been used by the community for over 100 years and that the residents of the properties surrounding Greensquare had right of way according to the deeds of those properties. He stated however that a notification from the landowner, Higgins Homes plc, had been sent to residents advising that they were trespassing and as a result residents were not formally using the land.

Cllr Longstaff enquired whether legal documents were available regarding the right of way. Mr Jardine stated that each home owner was likely to have such documents, received at the time of purchasing property surrounding the square.

Mr Jardine stated that the landowner, Higgins Homes plc, had terminated the Bowling Club's lease 9 years previously (before its expiration date) by triggering a break clause in

the lease. Mr Jardine stated that at this time the Bowling Club had had a full fixture list so had been in full use.

Mr Jardine added that along with the Clubhouse there were two extra areas of land that the Bowling Club had used and there were two leases; one to cover Green Square and a separate lease for the Bowling Club. The green area had registered paths for walking and woodland fruit was growing there and was picked by residents.

Cllr Longstaff asked whether residents had been notified that the Asset had been placed for leasing. Mr Jardine stated that a 'To Let' sign had recently been placed against the pillar of one of the houses which had been unclear as it appeared that the sign was in relation to the house rather than the land, and only recently a 'to let' sign had been placed on a pole beside the Bowling Club sign.

Mr Jardine stated that Higgins Homes plc had suggested to the Bowling Club that it tried to renew the lease but it had not been renewed.

The Solicitor in attendance from HB Public Law stated that once a property was listed as an Asset of Community Value; an owner wanting to dispose of an asset in Barnet should first notify Barnet Council of its intention to dispose. Interested parties are then given 6 weeks to inform LB Barnet of their interest in bidding for the land, and if such a notification is received there follows a six-month moratorium, during which time the landowner cannot sell the land. This provides an opportunity for bids to be developed and submitted by community groups. The landowner does not have to accept any given bid.

Cllr Longstaff stated that it was unclear whether the correct process had been followed in relation to the ACV. The group that had listed the ACV previously should be given the opportunity to try to do so again.

The Solicitor confirmed that the landowner is required to follow the statutory process and could not dispose of or lease the land whilst it was listed because a restriction on the title is usually registered by or on behalf of the LB Barnet which restricts any disposal without compliance with the restriction.

### **Community Right to Bid: The Midland Hotel Public House**

Verbal representations in support of an ACV listing were heard from Rev Dr Candy and Councillor Helen Pines Richman.

Two public speakers addressed the Sub Committee in favour of the application.

**9. COMMUNITY RIGHT TO BID: GREENSQUARE, THE LAND BETWEEN BRIARFIELD AVENUE AND ROSEMARY AVENUE ACCESSED FROM TANGLE TREE CLOSE, N3 2LG**

The Vice Chairman stated that given the information that had come to light at the meeting (Item 5) he felt that more information should have been included in the report.

Further to a discussion the Sub Committee **RESOLVED** unanimously:

**that Greensquare, the Land between Briarfield Avenue and Rosemary Avenue accessed From Tangle Tree Close, N3 2LG be listed as an Asset of Community Value and added to the Council's Register, based on the statutory criteria as set out in the Localism Act 2011, and the evidence provided in the nomination.**
