- 1.4 As agreed at the Pension Fund Committee on 26 March, Hymans Robertson, the LBB actuary, has been instructed to priorities admission agreements with the highest number of staff.

- 1.5 LBB have drafted a comprehensive admission agreement process, which is to be agreed with key stakeholders.

Cessation

- 1.6 When the last active member leaves the Local Government Pension Scheme a cessation valuation must be calculated. The Council's actuary, Hymans Robertson, calculates both assets and liabilities in relation to the Scheme Employer to understand if there is a surplus or deficit at the end of the contract.

- 1.7 Historically, any surplus is retained within the Fund. However, the Regulations covering cessations have recently been changed – any surplus must now be paid to the employer. Should a deficit be calculated then this, in some cases, would need to be recovered from the relevant Employer.

- 1.8 The Council is currently working with the relevant Employer, HB Public Law, and Hymans Robertson to arrange the below cessation calculations.

	Employer	Contract End Date
A	Absolutely Catering (1) Queenswell	27/05/2016

2. REASONS FOR RECOMMENDATIONS

- 2.1 There is no action required of the Committee.

3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

- 3.1 Not applicable.

4. POST DECISION IMPLEMENTATION

- 4.1 Not applicable.

5. IMPLICATIONS OF DECISION

5.1 Corporate Priorities and Performance

- 5.1.1 To maintain the integrity of the Pension Fund by monitoring admitted body organisations and ensuring all third parties comply fully with admission agreements and bond requirements. This ensures that pension fund liabilities

are covered by the responding admitted bodies; this in return protects Barnet's liabilities and supports the Council's corporate priorities as expressed through the Corporate Plan.

5.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

5.2.1 The work identified above is being done within existing resources.

5.3 Social Value

5.3.1 Membership of the Pension Fund ensures the long term financial health of the contributing employees on retirement.

5.4 Legal and Constitutional References

5.4.1 Regulation 2 and Schedule 2 of the Local Government Pension Scheme Regulations 2013 provide that a Local Authority, as an 'Administering Authority' for the Fund, may admit an organisation into the Local Government Pension Scheme, subject to that organisation, or the contractual arrangement between that organisation and the Council, meeting the criteria set out in the Regulations.

5.4.2 With respect to an admission agreement, the Regulations further provide for an assessment of the level of risk arising on premature termination of the provision of the service or assets because of insolvency, winding up or liquidation of the admission body. The assessment must be with the benefit of actuarial advice and, where the level of risk is such as to require it, the transferee admission body shall obtain an indemnity or bond to meet the level of risk identified.

5.5 Risk Management

5.5.1 The ongoing viability of the Pension Fund is dependent on acquiring assets that match the pension liabilities. All admitted bodies are subject to actuarial assessments and are reviewed to ensure compliance with admissions agreements and maintenance of appropriate employer contribution levels to mitigate against any risk to the financial viability of the pension fund.

5.5.2 There is a possibility of financial losses to the Pension Fund where arrangements around admitted bodies, bond agreements and contributions are not sufficiently robust. The Council is improving internal controls to ensure the Fund is protected.

5.6 Equalities and Diversity

Pursuant to the Equality Act 2010, the Council is under an obligation to have due regard to eliminating unlawful discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act; advancing equality of opportunity between persons who share a relevant 'protected characteristic' and those who do not share it; and fostering good relations between persons who share a relevant 'protected characteristic' and persons

who do not share it. The 'protected characteristics' are: age, disability, gender reassignment, pregnancy, and maternity, race, religion or belief, sex and sexual orientation.
