9. BACKGROUND INFORMATION

9.1 Councillor, Julie Johnson has requested that a Member's Item be considered as set out at 9.2.

9.2 Councillor Julie Johnson notes that:

'This school in West Hendon Ward is situated on a busy road. This road feeds traffic to and from the Edgware Road NW9 and also to Hendon Way NW4.

There is a blind bend opposite this school which is also an additional hazard. Considering there is no crossing supervisor, children have to take their chances when crossing this road. Many of the students live in the surrounding roads and have no choice but to use Park Road to access the school and these streets.

Can the I request that the Sub-Committee consider this and request that an investigation be undertaken by Barnet Council Highways service to see if a controlled crossing could be installed in this vicinity as the present situation is a road safety issue'.

9.3 The Interim Director of Environment, Planning and Regeneration will arrange for an officer comment to be given on the item at the meeting.
