1.	<p><u>Parking Friern Barnet Lane</u></p> <p>It has come to my attention that every Sunday morning, near St Catherine's Greek Church in Friern Barnet Lane the congregation of the church are parking inconsiderately on both sides of Friern Barnet Lane and extremely close to the bollards in the middle of the road. If vehicles are parked on both sides of the road at this bend in the road there is insufficient room for a bus and a vehicle to pass. Let alone an emergency vehicle</p> <p><i>(Ms Carol Martin)</i></p>	<p>This issue relates to a particular problem being identified on a Sunday, however as it is recognised that there are currently no restrictions in place at this location it is likely that this could potentially also be a problem at other times. With this in mind it is our intention to request Traffic Engineers to investigate this location at various times, including on a Sunday, to determine the extent of the problem and to then develop suitable proposals to address the issues identified from the investigation.</p>	<p>No further update</p>

2.	<p><u>Marlborough Close – N20</u></p> <p>Concerns about the following;</p> <ul style="list-style-type: none"> • Rubbish and Furniture is dumped within the street • Parking is very bad within his street and often residents can't find a space to park their cars. <p><i>(Mr Lash)</i></p>	<p>From reports received it is alleged that the rubbish is being dumped by residents living in the flats at Marlborough Close.</p> <p>Enforcement officers have been asked to investigate this allocation and take appropriate action should evidence prove this to be the case.</p> <p>A refuse crew was tasked with visiting and clearing all dumped rubbish in Marlborough Close on 9 October.</p>	No further update
3.	<p><u>Allotment Self Management Programme</u></p> <p>Could you please provide an update on the allotment self management programme?</p> <p>When will the timetable for the self management programme be published</p> <p><i>(Mr Phil Fletcher)</i></p>	<p>The programme is already under way with the first allotment (Brook Farm) having entered into the new lease arrangements. Discussions have commenced and are ongoing with 22 of the 44 sites.</p> <p>The Council is working closely with the Barnet Allotment Federation to roll out the remainder of the programme with the intention to complete all sites by April 2013.</p>	No further update
4.	<p><u>Wellhouse Lane</u></p> <p>Please see separate attachment</p> <p><i>(Mrs Patricia Yorke)</i></p>	<p>Officers would like to thank Mrs Yorke for providing comprehensive information detailing a number of concerns at this location.</p> <p>A Traffic Engineer will be investigating this location to identify what can be done to address these concerns.</p>	No further update
