<b>DELEGATED POWERS REPORT REF: 1946 DECISION OF THE COMMERCIAL DIRECTOR</b>				
<b>Interim IT Infrastructure Support Solution</b>	<p><u>Description</u> The Council's Infrastructure managed ICT service provider (2E2) went into administration and an emergency arrangement was required to secure the continuation of the critical IT services</p> <p><u>Reason for Urgency</u> Failure to provide support for the Council's IT infrastructure could impact on the council's ICT security, data storage, all data and telephony networks, all telephony services and all remote access to council services. All social care services are critically reliant on these ICT services, and residents are reliant on them for contact with the council. Without the contractual support in place, the council would be unable to restore or ensure continuity of these critical ICT services.</p>	<p>Deputy Leader of the Council / Cabinet Member for Resources and Performance</p> <p>Commercial Director (Decision Maker)</p>	<b>Yes</b>	<b>No</b>
