**REFERENCE – WHETSTONE FESTIVE TREE 2023 SCHEDULE OF RATES**

We are in receipt of your enquiry for this scheme, please find attached the schedule of rates for the supply and installation of a Festive Tree for the sum of:

**16ft Tree to Be Installed in a NAL socket: £2,778.72 (exc.vat)  
(With rental of custom LED)**

This offer is made subject to Bouygues Energies & Services Solutions Ltd General Terms and Conditions of Quotation attached with this quote and as supplemented herein. Any resulting Sub-Contract agreement must incorporate these conditions, unless otherwise agreed in writing.

- Our operations team will be in contact re pre-site visits and works programming.
- The 16ft tree (overall length) is to be installed into a 168mm NAL socket with a 380mm (1.2ft) pole planting depth, the height of the tree from ground level to the top of the tree will be 14.8ft.
- A data sheet is attached for approval of the proposed LED string lighting. This will be supplied in 20m lengths with red, cool white, and blue maxi small globes with clear lens, we will require confirmation of the number of 20m strings required and 20m is the required length of string, 5 x 20m lengths have been allowed on the attached schedule of rates. The white globes will be supplied as cool white.
- Installation of custom LED string lighting has a 12-month warranty, the manufacturer provides a 5-year product warranty. Rental of this equipment will have a 3-year installation warranty.
- Due to the 20m String Red, White Blue maxi small globes being a manufacturers custom item, this will only be engaged with as a rental as a 3-year contract, which the same materials in mention will be used for those 3 years in contract. This would be guaranteed and maintained as part of cost and all materials would remain property of the equipment supplier after the Hire Quotation of the 3-year contract. Damage caused by vandalism would not be under guarantee and repairs would be chargeable.
- An invoice will be forwarded for payment in advance of works commencing.
- To programme works, we would request an instruction to proceed please, within 7 days of the date of this quotation. We will require confirmation of the switch on date for programming of works.

If you require further information, please call me.

**G. O'BRIEN**

Yours Sincerely

Gerard O'Brien
