Summary	
This report provides an update on Task and Finish Groups which were commissioned by this Sub-Committee.	
Recommendations	
1. That the Overview and Scrutiny Committee notes and comments on the progress of the Task and Finish Groups.	
1. Reasons for the Recommendations	
1.1 Part 3C (52) of the council’s Committee Procedure Rules outlines the options for Overview and Scrutiny Committees and Sub-Committees to appoint Task and Finish Groups:	

“Overview and Scrutiny Committees may conduct reviews via informal Task and Finish Groups but the findings must be reported back to the relevant Committee or Sub-Committee. In conducting Task and Finish Groups they may also ask people to attend to give evidence at their meetings.

Task and Finish Groups will be carried out in accordance with the principles set out in the Protocol for Member/Officer Relations in Part 5 of the Constitution.

Following any Task and Finish Group review, a report will be submitted to the relevant Committee or sub-committees for onward submission to the Executive.”

- 1.2 The progress of current Task and Finish Group is outlined in Appendix A.

2. Alternative Options Considered and Not Recommended

- 2.1 None in the context of this report.

3. Post Decision Implementation

- 3.1 The 2023-2024 scrutiny topics for review were decided at meetings of the Overview and Scrutiny Committee and Sub-Committees in June/July 2023
- 3.2 Part 3C (52) of the council’s Committee Procedure Rules states that following any Task and Finish Group review, a report will be submitted to the relevant Committee or sub-committees for onward submission to the Executive.

4. Corporate Priorities, Performance and Other Considerations

Corporate Plan

- 4.1 The Overview and Scrutiny Committee work programmes and proposed Task and Finish Group topics include suggestions and input from Councillors, officers, members of the public, community groups and the voluntary sector.

The input of executive members, senior officers, and external partners will all assist scrutiny Members to effectively fulfil their role as critical friends constructively challenging decision makers. [Centre for Governance and Scrutiny 2022]

- 4.2 The work programme should reflect the Council’s priorities and should be targeted on issues where scrutiny can add real value. Good practice guidelines for setting overview and scrutiny work programmes state that if scrutiny is to be effective in driving service improvement and making a real difference to outcomes for local people, its work programme must be:

- Informed by the priorities and concerns of local people.
- Led by scrutiny members.
- Manageable and realistic
- Integrated effectively with corporate budget-making and strategic planning and policy setting processes and add value in contributing to the achievement of the Council’s corporate objectives.

- Reflect a proactive approach to driving service improvement, rather than being simply reactive in response to decisions of the Executive.

4.3 This report is aligned with the key priorities in the new corporate plan. Built on the pillars of “caring for people, our places and the planet” and underpinned by a foundation of being Engaged and Effective. The work of Overview and Scrutiny will support the Council in becoming a ‘listening council’ collaborating and building a continuous dialogue with residents and communities. In doing so, residents are involved in decision-making, and Scrutiny acts to amplify the voice of the public, on issues of concern.
