	<p>Mr Newton</p> <p>Question from 23 June 2008 forum: : Holden Road, N12 - Parking Restrictions.</p> <p>In order to facilitate the redevelopment of Meadowside in Holden Road, a "temporary" 8 a.m. to 6.30 p.m. parking restriction/single yellow line was added (in the vicinity of lighting columns 24 and 25) to the existing similarly timed restriction on the north side of the Holden Road/Tillingham Way junction.</p> <p>The Meadowside development has been completed for around two years and I should be pleased to learn whether there is any reason why the "temporary" parking restriction has not been removed.</p>	<p>Response at the time of the Forum:</p> <p>The temporary parking restrictions are now no longer required and arrangements are being made as a priority for the removal of any subsequent redundant signage</p> <p>Mr Newton says that these restrictions appear to still be in place. An update is requested</p>
